Proposed acquisition of Refinitiv

Compelling strategic rationale

1

Transforms LSEG's position as a leading global financial markets infrastructure group

Ability to benefit from global growth opportunities with greater range of leading businesses and enhanced strategic balance

2

Significantly enhances LSEG's customer proposition in data and analytics

Combination of valuable datasets with extensive distribution and IP capabilities, boosting revenue opportunities

3

Creates a global multi-asset class capital markets business

Adds high-growth execution venues in the two largest traded asset classes: FX and fixed income

4

Deepens and expands our shared core principles of customer partnership and open access

Continued partnership with customers to deliver innovative solutions across the financial markets value chain

5

Compelling financial profile: Sustainable growth and substantial synergies

- In excess of £350m cost and £225m revenue run rate synergies
- Revenue¹ CAGR of 5-7% targeted over the first three years post completion with c.70% recurring subscription-based revenue
- Over 30% adjusted EPS accretion in the first full year post completion and increasing in years two and three

¹ Revenue excludes recoveries and includes treasury income and other income

Creates a new global financial markets infrastructure leader

- A leading global financial markets infrastructure business
- Successful open access philosophy and customer partnership approach
- Systemically important, world class businesses serving global customer base
- Leading global OTC clearer with over \$1,200tn of notional cleared in 2019: **LCH**
- Leading global multi-asset index company with \$15tn in AUM and \$765bn ETF AUM: **FTSE Russell**
- Leading European equities trading business
- Strong track record of top-line organic growth and strategic M&A

- A leading global provider of data, analytics and financial markets solutions
- Open platform promoting partner community, solutions and efficiency
- Global reach and significant customer connectivity
- Best-in-class capabilities in data collection, management and distribution
- Leading trading venues in FX and fixed income: **FXall** and **Tradeweb**
- 150,000 data sources, over 10,000 data partners and 24,000 developer community
- Significant recent investment to accelerate growth
- High quality, highly recurring subscription-based revenue base

2019 Revenue: £2.3bn¹
2019 Adj. EBITDA: £1.3bn

2019 Revenue: £4.9bn^{2, 3}
2019 Adj. EBITDA: £1.7bn³

Transaction update – good progress

- **Overwhelming shareholder support with >99% voting in favour**
- **Regulatory and anti-trust workstreams progressing**
- **Transaction remains on track to close in H2 2020**
- **Refinitiv cost-saving programme - \$520m run-rate savings achieved at end of 2019, and on track to achieve \$650m by end of 2020**

Integration planning

- David Shalders appointed Chief Integration Officer - brings >30 years' experience in integration, technology and operations in financial services
- Integration Management Office established
- Strong working partnership with Blackstone who bring insight on Refinitiv and continued focus on efficiencies
- 18 workstreams established each with an LSEG and Refinitiv executive sponsor

- LCH cost of sales reduced by more than £30 million due to an updated SwapClear agreement with partner banks, announced at Q1 2019

EU Transition - LSEG well positioned

LSEG is committed to orderly function of markets, continuity of service to customers and supporting financial stability.

Global business, balanced portfolio

Global business, balanced portfolio of assets across listing, trading, index and clearing services in the UK, EU, United States and Asia

Global clearing operations

Clearing houses operate globally across 59 jurisdictions with equivalence and enhanced cooperative regulation arrangements

Diversified mix of revenues

Revenues earned in a variety of currencies – over 50% income non-GBP

No discernible change in customer behaviour

Committed to supporting customers as they prepare contingency plans, but **no discernible change in customers' current behaviour across listing, trading, index and clearing businesses**

Additional licence and regulatory preparations in hand

The withdrawal agreement provides for a transition period until 31 December 2020 during which the UK will continue to apply EU law. As such, LCH Ltd remains an EMIR 'Authorised' UK CCP and continues to offer clearing for all products and services to all members and clients.

LCH Ltd also continues to engage in the application process under the revised supervisory framework for EU and third country CCPs ('EMIR 2.2') to ensure a smooth transition to being a recognised, non-EU, CCP.

UnaVista, TRADEcho and Turquoise received regulatory authorisation in The Netherlands; Businesses prepared should a EU27 location be needed to serve EU customers in Hard Brexit scenario

MTS has established two MTF markets in Italy to replace markets operated by EuroMTS from the UK

Diversified by currency

Diversification by both income and expenses across GBP, EUR and USD
