

Private Market data

Identify, analyse and monitor industries across global private markets

LSEG's Private Market data offering includes comprehensive global coverage of private companies, private equity/venture capital, private real estate, infrastructure, deals, debt capital markets and private credit, layered with industry-leading news from our LSEG Generated Insights – IFR, PFI and LSEG's LPC editorial assets.

Covering a range of asset classes, our Private Market data feature detailed and hard-to-find information, including structured and unstructured content. A combination of proprietary in-house collections as well as leading third-party providers are brought together into a single cohesive offering. The data is standardised to enable consistency and comparability – delivering a comprehensive, high-quality and actionable view of private markets across various stages and use cases.

Key benefits

Comprehensive global coverage of private markets across global firms, funds and companies participating in this space.

Broad global coverage of financials available for deal prospecting and due diligence.

Standardised data enables comparability across markets and geographies.

Greater ways to access data available.

Comprehensive sourcing

Private market data is sourced through direct deal submissions from global banking and legal contributors. Additionally, LSEG leverages extensive research performed by a global team of dedicated research analysts across a broad range of sources, including regulatory filings, corporate statements, media and pricing wires to attain the most accurate information. IFR, PFI and LPC News, lead news coverage in their areas and leverage their industry expertise to provide the best information to the market.

Expertise and media coverage

LSEG leads the market in producing league tables that reflect the marketplace, collaborating closely with global deal practitioners to set league table criteria that are published across major business publications. Our quarterly investment banking market reviews are distributed to the deal-making community and featured in leading global financial publications including Reuters, Financial Times, The New York Times DealBook, The Wall Street Journal, the Globe and Mail, and South China Morning Post.

Quality controls at every step

2,500+ pre-product quality control validations occur at the point of data entry, with 1,000+ intraday and nightly quality control checks that validate the data before it reaches you.

Timely delivery

M&A, bonds, equity, syndicated loans and public financing content is updated hourly.

Insightful analysis

LSEG's deals content is used to monitor deal flow, identify trends, analyse market share, monitor banking relationships and competitors, structure new deals and search for comparable transactions.

Private Markets are a key strategic focus for LSEG. We're continuing to invest to deliver deeper insights, greater value and more meaningful outcomes for you.
