

Biography

Indrani De, CFA, PRM

Head of Global Investment Research,
FTSE Russell

Indrani De is the Head of Global Investment Research for FTSE Russell, an LSEG Business (London Stock Exchange Group), and an investment research and portfolio management executive, experienced across asset classes.

Indrani leads a global team to produce research that provides market insights and thought leadership for FTSE Russell's suite of indices. Immediately prior, she was Global Head of Investor Strategy at DBRS Morningstar, leading a new initiative to increase connectivity with the largest credit investors. Before that she held two roles in the TIAA/Nuveen group - Managing Director and Head of Research, Solutions Group in Nuveen (TIAA's investment arm) leading asset allocation research and earlier as Managing Director responsible for financial markets analysis and economic scenario design in the General Account of TIAA. Early career experience includes being Senior Director of Quantitative Research at institutional equity investment firm New Amsterdam Partners, and investment analyst for GE Capital evaluating private market investments.

Indrani De is a prior President and on the Board of the Society of Quantitative Analysts (SQA). A strong believer in thought leadership-based investment management, she has been published in the Journal of Investing, Journal of Investment Consulting, NYSSA Financial Professionals' Post (CFA society publication) and Risk.Net books. Indrani has deep expertise in responsible and climate change investing, with many research papers in this area. She has been a speaker multiple times at leading industry conferences and quoted in major media outlets.

Indrani holds an MBA from the City University of New York with full merit scholarship, an MBA from the Indian Institute of Management (Bangalore), the CFA (Chartered Financial Analyst) and PRM (Professional Risk Manager) designations. LinkedIn profile: <https://www.linkedin.com/in/indranide/>
