Introduction

London Stock Exchange PLC has over 20 years of experience as the UK’s National Numbering Agency for assignment of International Securities Identification Numbers (ISINs) and Classification of Financial Instruments (CFIs) and was also endorsed by the Regulatory Oversight Committee (ROC) as a Local Operating Unit (LOU) for the global allocation of Legal Entity Identifiers (LEI) and are accredited by GLEIF www.gleif.org

London Stock Exchange’s LEI, also known as the International Entity Identifier (IEI), is issued to legal entities according to the agreed Principles outlined by the ROC and GLEIF (www.gleif.org). The LEI codes will be issued and maintained via UnaVista, the London Stock Exchange Group’s hosted matching and reconciliation platform.

Legal Entity Identifier (LEI) Solution Overview

The LEI solution enables you to Request and Maintain your LEI record/s including the ability to monitor your LEI Status, view your LEI details, add documentation and fulfil Annual Renewal obligations.

You can also submit 10 or more LEI requests using the Bulk Request functionality and renew 10 or more LEIs using the Bulk Annual Renewal feature.

Additionally, you can search the consolidated universe of LEI data, as well as challenge a LEI record under the responsibility of the London Stock Exchange if you believe the details to be incorrect.
To access the LEI database, click the following link: www2.londonstockexchangegroup.com/register-for-lei. The Registration page will be displayed. As standard, all free services will be available upon registration. Please complete the Registration details:

Please Note: Registration details will be used to validate that self-registration principle for LEI requests is being adhered to. Therefore, enter the full entity name of the organisation you work for in the Company Name field.

To register, click the Register button on the Login screen. Then Enter your email in the User Registration window and you will be sent a link. Click the link which will then take you to the Registration Screen.

1. Complete all the mandatory fields. The mandatory fields are highlighted in red.

2. If you have additional subscription services, such as SEDOL Masterfile, you can add them to your profile from the Subscription Services section on the Registration page.

3. Please ensure that you have accepted the T&Cs by selecting the Terms and Conditions of Use check box at the bottom of the Registration form.
Welcome Screen

When you successfully log on to the UnaVista portal, the following UnaVista Welcome screen is displayed.

- **Welcome Screen**
  - The **Welcome Screen** displays the recent news or updates from UnaVista as well as general contact information.

- **Search facility**
  - The **Search** facility enables you to search for LEIs using part of the entity name.

- **Dashboard**
  - If configured, the **Dashboard** displays the pre-set charts giving a snapshot of data in the system.

- **News tab**
  - The **News tab** displays any updates or news from the UnaVista team.

- **Folder Tree**
  - The **Folder Tree** displays the folders available to you. These may differ depending on your access permissions. **Click the number** to the right of a folder to access the folder contents.
  - When you click the number, the contents of the folder will be displayed in the right pane.
Folder Data
Folder Data

Details on how to access data within the folders is explained in the Folder Data section. The Folder Data section includes the following topics; click the link to access the respective topic:

- Accessing Folders
- Apply Filters
- Remove Filters
Accessing Folders

The left pane displays a list of folders in the system. The folders available will depend on your user profile and additional subscription services. To access the contents of the folder, click on the number displayed next to the folder. The contents of the folder are displayed in the right pane.

Folder Summary

- **LEI Consolidated Search** – Contains all LEI records available across all LOUs
- **My LEI Data** – This is where you can access and manage all LEI data under your user account
- **LEI Bulk Request Information** – Contains the LEI Bulk Request Reference Data tables, Bulk Request Template and User Manual.
- **Annual Renewal LEI Data** – Contains all your LEI records that require Annual Renewal.
- **UK ISIN Search** – Contains all UK ISIN (GB, GG, JE & IM) and the respective CFI data
- **COAF** – Contains details of all assigned UK Corporate Action Reference Numbers

Click the number displayed to the right of the respective folder. The contents of the selected folder is displayed in right pane.
You can narrow down the records displayed on the screen by applying filters. The UnaVista platform provides you the functionality to search and filter records based on any column. This functionality is applicable to all the screens available to you.

1. To filter the records based on column, hover the mouse over the column header, a drop-down arrow will appear next to the column name.

2. Click the drop-down arrow, a menu with different options is displayed.

3. From the drop-down menu, point to Filters, and then click the appropriate value from the drop-down list or type characters in the data string fields.

The Column Filter is a temporary filter view that allows you to filter by value in a selected column:

- Access the column filter by clicking the downward arrow on the column header and selecting Filters
- Populate the filter according to the data type. Text values can be filtered by
  - Equals
  - Starts with
  - Ends with
  - Contains
  - List filter
- Note: Filters can be applied on multiple fields
- Date values can be selected by calendar.
- Multiple Search field can either be populated with multiple values or you can paste a list into it.

Select the Blank check box if you wish to search for blank fields or Not Blank if you wish to exclude blank fields from the search.
You can remove all the filters that you have applied to your data if you no longer want to view only the filtered records.

If a filter is applied to only one column then, right-click in the column to which the filter is applied. A menu is displayed, click the **Remove This Filter** option.

If multiple filters are applied, then click the **Remove All Filters** option from the menu.

**Note:** If you use the advance filters for your initial search, you cannot request an LEI from this page.

Search LEI Record(s)

The Search facility in the Navigation Settings region enables you to search the database for an existing LEI. The applicable LEI matches are displayed in the right hand panel from the LEI Consolidated View folder.

Type part of the entity name you wish to search an LEI code for in the Search field, and press ENTER or click the Search button.

Entities that contain the searched word will be displayed in the right pane. The relevant LEI will also be displayed.

You will notice that following return of search results, the Request LEI button will be displayed to the upper right corner of the page. Click this button to submit a request for a LEI.

For more details, please refer to the Request a LEI topic of this user guide.
The **Search** facility in the **Navigation Settings** region enables you to search the database for an existing LEI. The applicable LEI matches are displayed in the right hand panel from the **LEI Consolidated View** folder.

Typing part of the entity name you wish to search an LEI code for in the **Search** field and pressing ENTER or clicking the **Search** button will display entities that contain the searched word in the right pane. The relevant LEI will also be displayed.

You will notice that following return of search results, the **Request LEI** button will be displayed to the upper right corner of the page. Click this button to submit a request for a LEI.

For more details, please refer to the **Request a LEI** topic of this user guide.
Manage your LEI Request(s)

You can manage your LEI records, including making payments to submit your request, in your My LEI Data folder. To view your LEI requests, click on the number that is displayed next to the My LEI Data folder. Your LEI request(s) will be displayed in the right hand panel.

To make a payment and submit the request, select the record and click the Submit Card Pymnt button. For more details, please refer the Pay and Submit LEI Request topic.

To edit the record, click the Edit Record icon next to the record that you want to update.

Important Note:
In order for us to begin the validation process of your LEI request, you must have credit card payment approved.
• Upon submission of your request, payment will be authorised but not taken.
• Payment is only taken upon LEI allocation and an email is sent to the requestor confirming payment and providing the LEI.

You can delete the draft records. To delete the record, select the record and click the Delete Draft button.
To add additional documents to the LEI request, click the Add doc button.
Requesting an LEI

Requesting an LEI is a 3 step process: 1. Search LEI database  2. Complete Request LEI template  3. Submit Credit Card payment

Before you submit a request for an LEI, you must search the LEI database to see if an LEI already exists (see point 1 below). For more details on how to search an LEI, please refer to the Search LEI Record(s) topic in this user guide.

If the searched LEI exists in the system, it will be displayed in the right hand panel from the LEI Consolidated View tab.

If you have more than 10 LEI requests to submit, please use the Bulk Request Information feature.

1. Search for the entity name within Navigation settings. This will return potential matches within the LEI Consolidated View. See ‘London Stock’ as an example below.

2. If no match is found, to request a new LEI, click the Request LEI button. The Request LEI button will only be displayed following a search for an LEI.

Once you click the Request LEI button, a new window is opened as shown on pages 10 - 11 enabling you to submit a request for a new LEI. To submit the payment so the LEI request can be validated please see page 12.
Requesting an LEI

The Create screen enables you to complete and submit the different details related to the new LEI request that you want to create.

1. Complete all the mandatory fields. The mandatory fields are highlighted in red.

2. Tips are provided for all the fields. To view the Tip, hover your mouse or click icon.

3. Upload Authorisation Form if you are a third party applying for an LEI on behalf of the Legal Entity.
   Upload supporting Document such as Fund prospectus, Trust deed, Articles of Incorporation, if this information is not publically available on a Registration Authority.
   
   Note: You can add multiple documents once you have created a draft. Please refer to the Manage your LEI Request topic.

4. Complete all the mandatory fields and click the Create button. You will notice that the Create button is disabled when you open the screen. However, it will be enabled once all the mandatory fields are completed.

Note: Your LEI Request will only be completed once you make a payment.
The LEI data has two main sections, the LEI Entity data and the LEI Parent data. Both sections need to be completed before you can request a LEI.

The LEI Entity data in the first section of the create form consists of information about your entity such as the name, type of entity, registry details and address details (headquarters address and legal/registered address).

The LEI Parent data or Level 2 data is information of your entity’s direct and ultimate parent as per accounting consolidating standards.

- Select Parent Name from the drop down list if the Parent has an LEI.
- If Parent does not have a LEI yet, enter the full name of the Parent and complete all fields including address and registry details of the Parent. (Alternatively apply for the Parent LEI, if required).
- If a Parent does not exist or cannot be disclosed, choose ‘N/A’ from the drop down and complete the Exception Reason field.

Please see the LEI Level 2 Data Help Sheet for further information.

Pay and Submit LEI Request
