Ordinary Resolutions

Resolution 1

The Directors must present the report of the Directors and the accounts of the Company for the year ended 31 December 2018 to shareholders at the AGM. The report of the Directors, the accounts, and the report of the Company’s auditors on the accounts and on those parts of the Directors’ remuneration report that are capable of being audited are contained within the Report and Accounts. Shareholders are being asked to receive the Report and Accounts.
Resolution 2

A final dividend can only be paid after the shareholders at a general meeting have approved it. Shareholders are being asked to approve a final dividend of 43.2 pence per ordinary share in respect of the year ended 31 December 2018. If you approve the recommended final dividend, it will be paid on 29 May 2019 to all shareholders on the register of shareholders at the close of business on the record date, which will be 3 May 2019.

Resolution 3

This Resolution seeks to approve the Annual Report on Remuneration, which may be found on pages 82 to 100 of the Report and Accounts and which gives details of your Directors’ remuneration for the year ended 31 December 2018 and the annual statement of the Chairman of the Remuneration Committee, which may be found on pages 82 to 84 of the Report and Accounts, in each case in accordance with section 439 of the Companies Act 2006.

Resolutions 4 - 16

In line with the UK Corporate Governance Code, all of the Directors of the Company will retire and the following will be proposed for re-election at the AGM: Jacques Aigrain, Paul Heiden, Raffaele Jerusalmi, Stephen O’Connor, Val Rahmani, Andrea Sironi and David Warren. Resolutions 4 to 10 seek your approval to re-elect these individuals as Directors of the Company.

Marshall Bailey OBE, Professor Kathleen DeRose, Cressida Hogg CBE, Don Robert, David Schwimmer and Ruth Wandhöfer have been appointed as Directors since last year’s annual general meeting. Resolutions 11 to 16 propose the election of each Director as required by the Company’s Articles of Association.

All of the Directors offering themselves for election or re-election have wide business knowledge and bring valuable skills and experience to the Board. Following a formal performance evaluation, the Board considers that each of these Directors continues to be effective and to demonstrate commitment to the role, including commitment of time for Board and Committee meetings and any other duties.

The Board is content that each of the Non-Executive Directors offering themselves for election or re-election is independent in character and there are no relationships or circumstances which are likely to affect their character or judgement. In evaluating Directors’ independence, the Board has taken into consideration the guidance provided by the UK Corporate Governance Code including the requirement for a Company to state its reasons that a director has served on the Board for more than 9 years from the date of their first election.

Paul Heiden has served on the Board since June 2010 and will offer himself for re-election at the AGM but then intends to retire from the Board when a successor as Chair of the Audit Committee has been appointed. The Board considers that an individual’s independence cannot be determined solely on the basis of a particular period of service and the Board believes that Mr Heiden continues to demonstrate independence of character and judgement. The Board is also mindful that Mr Heiden has not served on the Board concurrently for a period of 9 years with the Chief Executive Officer and Chief Financial Officer. The Board will continue to benefit from his experience and knowledge resulting from the length of service, particularly as the Board has undergone a period of change, as well as his wider business experience.

Biographies outlining the business knowledge, skills and experience of the Directors seeking election or re-election are set out in Appendix 1 to this document.

Resolution 17

The auditors of a company must be re-appointed at each general meeting at which accounts are laid.

This Resolution seeks your approval to re-appoint Ernst & Young LLP as auditors of the Company, to hold office until the conclusion of the next general meeting of the Company at which accounts are laid.

An assessment of the effectiveness, independence and objectivity of the auditors has been undertaken by the Audit Committee which has recommended to the Board that Ernst & Young LLP be re-appointed as auditors of the Company.
Resolution 18

Shareholders are being asked to authorise the Directors to determine Ernst & Young LLP’s remuneration as auditors.

Resolution 19

The Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors at last year’s annual general meeting under section 551 of the Companies Act 2006 to allot shares or grant rights to subscribe for, or convert any security into, shares in the share capital of the Company expires on the date of the AGM. Paragraph (a)(i)(A) of this Resolution will, if passed, authorise the Directors to allot the Company’s shares or grant rights to subscribe for, or convert any security into, shares in the Company up to a maximum nominal amount of £8,061,775. This amount represents 33.3 per cent. of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 19 March 2019, being the latest practicable date prior to publication of the Notice of AGM. Paragraph (a)(i)(B) of this Resolution authorises the Directors to allot, including the shares referred to in paragraph (a)(i)(A) of this Resolution, further of the Company’s unissued shares up to an aggregate nominal amount of £16,123,551 (representing 66.6 per cent. of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 19 March 2019, being the latest practicable date prior to publication of the Notice of AGM) in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This is in accordance with the most recent institutional guidelines published by the Investment Association.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year. The Board has no current intention to exercise this authority, but considers it prudent to maintain the flexibility it provides. It is noted that all Directors will, consistent with the Company’s current practice, be submitted for re-election at the 2020 annual general meeting irrespective of whether the above authority is used.

As at the date of the Notice of AGM, the Company held 1,034,685 shares in treasury. This amount represents approximately 0.30 per cent. of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 19 March 2019, being the latest practicable date prior to publication of the Notice of AGM.

Resolution 20

This Resolution seeks to grant the authority for the Company and its subsidiaries to make political donations to political parties and independent election candidates, to other political organisations and to incur political expenditure.

It is not the policy of the Company to make political donations of this type and the Directors have no intention of changing that policy or of using the authority for this purpose. However, as a result of the wide definitions in the Companies Act 2006 of matters constituting political donations, normal expenditure (such as expenditure on organisations concerned with matters of public policy, law reform and representation of the business community) and business activities (such as communicating with the government and political parties at local, national and international level on matters vital to the Company’s business interests) might be construed as political expenditure or as a donation to a political party, an independent election candidate or other political organisation and fall within the restrictions of the Companies Act 2006.

This Resolution does not purport to authorise any particular donation or expenditure but is expressed in general terms as required by the Companies Act 2006 and is intended to avoid inadvertent infringement of the statute by the Company. The Directors do not intend to use this authority to make political donations within the normal meaning of that expression. If passed, this Resolution would allow the Company and its subsidiaries to make donations to political parties, independent election candidates and other political organisations and to incur political expenditure (as defined in the Companies Act 2006) in accordance with the terms of this Resolution (which include an aggregate limit on such donations and expenditure made or incurred by the Company and its subsidiaries of £100,000 (or the equivalent amount in any other currency)). This Resolution has effect for the period commencing on the date of this Resolution and ending on the conclusion of the Company’s next
annual general meeting. Any political donation made or political expenditure incurred which is in excess of £2,000 will be disclosed in the Company’s annual report and accounts for the year ended 31 December 2019, as required by the Companies Act 2006.

**Special Resolutions**

**Resolutions 21 and 22**

Resolution 21 seeks to replace the authority conferred on the Directors at last year’s annual general meeting to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash (other than pursuant to an employee share scheme) without application of the pre-emption rights pursuant to section 561 of the Companies Act 2006. Apart from rights issues or any other pre-emptive offer concerning equity securities, the authority contained in Resolution 21 will be limited to the issue of shares for cash (which includes the sale on a non-pre-emptive basis of any shares held in treasury) up to an aggregate nominal value of £1,209,266 which represents approximately 5 per cent. of the Company’s issued share capital as at 19 March 2019, being the latest practicable date prior to the publication of the Notice of AGM.

The Directors intend to adhere to the provisions in the Pre-emption Group’s Statement of Principles as updated in March 2015, and not allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 19 in excess of an amount equal to 7.5 per cent. of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders, other than in connection with the authority conferred by Resolution 22 (if passed).

If given, this authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 15 months from the date of Resolution 21.

The authority that Resolution 22 would confer is in addition to the authority conferred by Resolution 21. It is limited to the issue of shares for cash (which includes the sale on a non-pre-emptive basis of any shares held in treasury) up to an aggregate nominal value of £1,209,266, which represents approximately a further 5 per cent. of the Company’s issued share capital as at 19 March 2019, being the latest practicable date prior to the publication of the Notice of AGM. This further authority may only be used for an issue of shares for cash for the purposes of financing (or refinancing, if the authority is used within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-emption Group’s Statement of Principles as updated in March 2015.

If given, this authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 15 months from the date of Resolution 22.

The Directors have no present intention of exercising either the authority under Resolution 21 or the authority under Resolution 22 and the Company intends to renew each of these authorities annually. A sale of treasury shares will be treated as an issue of shares for the purposes of these Resolutions.

As at the date of the Notice of AGM, the Company held 1,034,685 shares in treasury. This amount represents 0.30 per cent. of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 19 March 2019, being the latest practicable date prior to publication of the Notice of AGM.

**Resolution 23**

This Resolution replaces the authority given at last year’s annual general meeting for the Company to make market purchases of its own ordinary shares as permitted by the Companies Act 2006. The terms of the authority are set out in this Resolution. Approval of this Resolution would enable the Company to purchase up to a maximum of 34,956,941 ordinary shares of 6 7/86 pence each in the capital of the Company (representing 10 per cent. of the issued ordinary share capital (excluding treasury shares) of the Company as at 19 March 2019, being the latest practicable date prior to publication of the Notice of AGM). The price per ordinary share that the Company may pay is set at a minimum amount of the nominal value of each ordinary share and a maximum amount of the higher of: (i) 105 per cent. of the average of the previous five business days’ middle market prices as derived from the Daily Official List of the London Stock Exchange; and (ii) the higher
of the price of the last independent trade of an ordinary share and the highest current independent
bid for an ordinary share on the trading venue where the purchase is carried out.

The Directors continually assess the Company’s capital management position in accordance with its
capital management framework. In certain circumstances, it may be advantageous for the Company to
purchase its own shares. The Directors consider it to be desirable for the general authority to be
available to provide flexibility in the management of the Company’s capital resources. The Directors
will only exercise the authority if the Directors believe that such exercise would in their opinion result
in an increase in earnings per share and would be likely to promote the success of the Company for
the benefit of its shareholders as a whole.

Any ordinary shares purchased pursuant to the authority conferred by this Resolution may be
cancelled or held by the Company as treasury shares, within the limits allowed by law. Such treasury
shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees
pursuant to the Company’s employee share schemes or otherwise disposed of by the Directors in
accordance with the requirements of the relevant legislation and the authority relating to rights of pre-
emption granted by the shareholders in general meeting.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the
conclusion of the annual general meeting of the Company next year or, if earlier, 18 months from the
date of this Resolution.

The total number of ordinary shares which may be issued on the exercise of outstanding options as at
19 March 2019, being the latest practicable date prior to publication of the Notice of AGM, is
5,090,933 which represents 1.46 per cent. of the issued ordinary share capital of the Company
(excluding treasury shares) as at that date. If the Company were to purchase shares up to the
maximum permitted by this Resolution the proportion of ordinary shares subject to outstanding options
would represent 1.62 per cent. of the issued ordinary share capital (excluding treasury shares) as at
19 March 2019, being the latest practicable date prior to publication of the Notice of AGM. There are
no warrants outstanding.

Resolution 24
This Resolution renews the authority given at last year’s annual general meeting for the Company to
call general meetings (other than annual general meetings) on 14 clear days’ notice. This Resolution
is required pursuant to the Companies (Shareholders’ Rights) Regulations 2009 which increase the
notice period for general meetings of the Company to 21 days, unless shareholders approve the
calling of meetings (other than an annual general meeting) on 14 days’ notice by an annual special
resolution. It is intended that the shorter notice period would not be used as a matter of routine for
such meetings, but only where the flexibility is merited by the business of the meeting and is thought
to be in the interests of shareholders as a whole. The Company is also required to meet any
applicable requirements for electronic voting under the Companies (Shareholders’ Rights) Regulations
2009 before it can call a general meeting on 14 days’ notice. The approval granted by this Resolution
will be effective until the Company’s next annual general meeting, when it is intended that a similar
resolution will be proposed.

Special Resolutions

RESOLUTION 21

That subject to the passing of Resolution 19 and in place of all existing powers the Directors be generally empowered pursuant to sections 570 and 573 of the Companies Act 2006 to allot equity securities (as defined in the Companies Act 2006) for cash, pursuant to the authority conferred by Resolution 19 as if section 561(1) of the Companies Act 2006 did not apply to the allotment. This power:

(a) expires (unless previously unconditionally renewed, varied or revoked by the Company pursuant to a resolution approved in general meeting) at the end of the next annual general meeting of the Company after the date on which this Resolution is passed or 15 months from the date of this Resolution (whichever is earlier), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the Directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and

(b) shall be limited to the allotment of equity securities in connection with an offer of equity securities (but in the case of the authority granted under Resolution 19(a)(i)(B), by way of a rights issue only):

(i) to the holders of ordinary shares in proportion (as nearly as may be practicable) to their existing holdings; and

(ii) to people who are holders of other equity securities, if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities,

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Companies Act 2006 as if in the first paragraph of this Resolution the words “pursuant to the authority conferred by Resolution 19” were omitted.
RESOLUTION 22

That, subject to the passing of Resolution 19 and in addition to any power given to them pursuant to Resolution 21, the Directors be generally empowered pursuant to sections 570 and 573 of the Companies Act 2006 to allot equity securities (as defined in the Companies Act 2006) for cash, pursuant to the authority conferred by Resolution 19 as if section 561(1) of the Companies Act 2006 did not apply to the allotment. This power:

(a) expires (unless previously unconditionally renewed, varied or revoked by the Company pursuant to a resolution approved in general meeting) at the end of the next annual general meeting of the Company after the date on which this Resolution is passed or 15 months from the date of this Resolution (whichever is earlier), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and

(b) may only be exercised pursuant to the authority granted under Resolution 19(a)(i)(A), and shall be limited to the allotment of equity securities up to an aggregate nominal amount of £1,209,266 and provided that the allotment is for the purposes of financing (or refinancing, if the power is used within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of the Notice of AGM.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Companies Act 2006 as if in the first paragraph of this Resolution the words “pursuant to the authority conferred by Resolution 19” were omitted.

RESOLUTION 23

That the Company be and is hereby generally and unconditionally authorised to make market purchases (within the meaning of section 693(4) of the Companies Act 2006) of its own ordinary shares, provided that:

(a) the maximum number of ordinary shares authorised to be purchased is 34,956,941 in the capital of the Company;

(b) the minimum price which may be paid for an ordinary share shall not be less than the nominal value of the ordinary shares at the time of purchase (which amount shall be exclusive of expenses);

(c) the maximum price which may be paid for an ordinary share is, in respect of an ordinary share contracted to be purchased on any day, the higher of:

   (i) an amount (exclusive of expenses) equal to 105 per cent. of the average of the mid-market quotations for an ordinary share of the Company as derived from the Daily Official List of the London Stock Exchange for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased; and

   (ii) an amount (exclusive of expenses) equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out;

(d) the authority hereby conferred shall expire at the conclusion of the next annual general meeting of the Company following the passing of this Resolution or 18 months from the date of this Resolution (whichever is earlier), unless such authority is unconditionally renewed pursuant to a resolution taking effect prior to such time; and

(e) the Company may conclude a contract to purchase ordinary shares under the authority hereby conferred prior to the expiry of such authority which will or may be executed wholly or partly after such expiry, and may make a purchase of ordinary shares in pursuance of any such contract as if the authority hereby conferred had not expired.
RESOLUTION 24

That a general meeting of the Company other than an annual general meeting may be called on not less than 14 clear days’ notice.

A proxy need not be a shareholder of the Company. A pink Form of Proxy which may be used to make such appointment and give proxy instructions for use at the AGM is enclosed.

3. To be valid, a Form of Proxy, duly completed, signed or sealed (as appropriate) and dated must be returned to the Company’s Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA so as to arrive no later than 10.30 a.m. on 29 April 2019.

4. The Form of Proxy must be executed by the shareholder or his or her attorney duly authorised in writing and (in the case of an individual) must be signed by the individual or his or her attorney duly authorised in writing or (in the case of a corporation) be executed either under seal, on its behalf by a duly authorised officer or attorney of the corporation or in any other manner authorised by its constitution.

5. In the case of joint registered holders, the signature of one holder will be accepted and the vote of the senior holder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority will be determined by the order in which the names stand on the register of shareholders of the Company in respect of the relevant joint holding.

6. Alternatively a shareholder may appoint a proxy or proxies electronically either via the website run by Equiniti at www.sharevote.co.uk using the Voting ID, Task ID and Shareholder Reference Number provided on the pink Form of Proxy or, if such shareholder is a CREST member, by using the procedure described in paragraph 7 below.

7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID RA19) by no later than 10.30 a.m. on 29 April 2019. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST personal members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by
means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

14. In accordance with section 311A of the Companies Act 2006, the contents of the Notice of AGM, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if applicable, any members’ statements, members’ resolutions or members’ matters of business received by the Company after the date of the Notice of AGM are available to view and to download on the Company’s website at http://www.lseg.com/investorrelations/shareholder-services/agm-information.
