

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the “**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended or superseded, the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPS Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation.

UK MIFIR product governance / Professional investors and ECPs, and also UK retail investors target market – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is professional clients, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”) (“**professional client**”), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook and also UK retail clients (for these purposes, a retail client means a person who is not a professional client); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

PART B – OTHER INFORMATION

1. LISTING AND ADMISSION TO TRADING

Listing and Admission to trading: The Notes were admitted to trading on the London Stock Exchange’s Main Market and were admitted to the official list of the Financial Conduct Authority with effect from the Issue Date

2. RATINGS

Ratings: The Notes have been rated A3 by Moody’s Investors Service Limited (“**Moody’s**”) and A by S&P Global Ratings UK Limited (“**S&P**”).

The rating agencies above have published the following high-level descriptions of such ratings:

A rating of A3 by Moody’s is judged to be upper-medium grade and subject to low credit risk. Modifier 3 indicates a ranking in the lower end of that generic rating category.

A rating of A by S&P is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor’s capacity to meet its financial commitments on the obligation is still strong.

3. YIELD

Indication of yield: 4.504 per cent. per annum. Yield is calculated on the basis of the Issue Price on the Issue Date. It is not an indication of future yield
