(“BCP Aggregator”). The Deferred Issue Shares shall be issued by Buyer on the Deferred Share Issuance Date to BCP Aggregator, as the holder on such date of the right to receive the Deferred Issue Shares. If any dividend or other distribution is paid by Buyer by reference to a record date that falls after Closing but before the Deferred Share Issuance Date, BCP Aggregator (as assignee of Refinitiv Holdings III) shall be entitled to receipt of payments by Buyer equal to the per share amounts of all such dividends or other distributions so paid after the Closing Date in respect of the number of Deferred Issue Shares.
Shares, which amount shall be paid to BCP Aggregator in cash (or Buyer Shares, as applicable, or such other property as is paid as a dividend or distribution to other holders of Buyer Shares) simultaneously with the payment of such dividend or distribution to other holders of Buyer Shares. On the Deferred Share Issuance Date, Buyer shall validly allot and issued, fully paid up, such Deferred Issue Shares, in uncertified form through the dematerialised securities trading system operated by Euroclear UK and Ireland Limited, known as CREST.

Section 2.07. Cash Payment.

(a) Upon sixty (60) days prior written notice to Seller (a “Cash Payment Structure Notice”), Buyer shall be permitted to substitute cash in an amount in U.S. Dollars of up to $2,500,000,000 for a number of Closing Consideration Shares as determined in accordance with the following sentence, which shall reduce the number of Closing Consideration Shares issued to Refinitiv Holdings III in exchange for the Refinitiv Parent Class A Shares. The number of Closing Consideration Shares to be replaced with cash shall be equal to the quotient of (a) the amount of cash to be paid to Seller in lieu of Closing Consideration Shares in accordance with the prior sentence and (b) the volume-weighted average price of Buyer Shares as calculated using the daily closing price of Buyer Shares converted to US Dollars at the Exchange Rate on each such trading day and daily trading volumes as sourced from Eikon (or any successor product) for the thirty (30) trading days preceding the date that is three business days prior to Closing, rounded to the nearest whole share. The Cash Payment Structure Notice shall state the amount in U.S. Dollars that Buyer wishes to substitute under this Section 2.07(a). In the event Buyer elects to substitute cash in accordance with this provision, Buyer shall validly allot and issue the Deferred Issue Shares on the Closing Date, and Section 2.01(b)(iii), Section 2.04(a)(ii), Section 5.04(d) and Section 10.01(d) shall be deemed to be amended accordingly.

(b) Buyer and Seller agree that if Buyer does not serve a Cash Payment Structure Notice, Buyer shall be entitled to serve a notice on Seller at any time prior to the date falling ten (10) Business Days prior to Closing that it wishes to effect a post-Closing cash substitution in an amount of up to $2,500,000,000 (a “Post-Closing Cash Payment Structure Notice”) such that a number of the Initial Closing Consideration Shares shall be substituted for cash applying a substitution mechanism equivalent to the formula set out above using the thirty (30) trading day period prior to substitution (or such other exchange basis as the parties agree), which shall reduce the number of Closing Consideration Shares issued to Refinitiv Holdings III in exchange for the Refinitiv Parent Class A Shares. If Buyer serves a Post-Closing Cash Payment Structure Notice on Seller, the precise mechanic for, or instrument to achieve, such post-Closing cash substitution, including (A) the number of Initial Closing Consideration Shares as should not be issued on Closing so as to give effect to the formula described above (the “Unissued Consideration Shares”), and (B) the steps to be taken should the number of Unissued Consideration Shares (i) exceed the number of Initial Closing Consideration Shares required in order to achieve the post-Closing cash substitution once the formula described above has been applied, or (ii) be insufficient to effect such substitution, shall be agreed between Buyer and Seller at least three (3) Business Days prior to the Closing Date. In determining the precise mechanic for, or instrument to achieve such post-Closing cash substitution, Buyer and Seller shall act in good faith having regard to the tax implications of the proposed method of substitution for Buyer and Seller (and its affiliates) and, if applicable, Buyer Shareholders. If any dividend or other distribution is paid by Buyer by reference to a record date that falls after Closing but before the issuance of any
Unissued Consideration Shares to be issued to Refinitiv Holdings III pursuant to the mechanic to be agreed with respect to clause 2.07(b)(i) above (the “True-Up Shares”), Refinitiv Holdings III shall be entitled to receipt of payments by Buyer equal to the per share amounts of all such dividends or other distributions so paid after the Closing Date in respect of the number of True-Up Shares, which amount shall be paid to Refinitiv Holdings III in cash (or Buyer Shares, as applicable, or such other property as is paid as a dividend or distribution to other holders of Buyer Shares) simultaneously with the later of (x) the issuance of the Unissued Consideration Shares and (y) payment of such dividend or distribution to other holders of Buyer Shares.

Section 2.08. Leakage Adjustment.

(a) Five (5) Business Days prior to the Closing Date, each of Seller and Buyer shall notify the other party of any Leakage (other than Seller Permitted Leakage or Buyer Permitted Leakage, as applicable) of which it is aware that has occurred since June 30, 2019.

(b) Following the notification contemplated by Section 2.08(a) and at least three (3) Business Days prior to the Closing Date, Seller and Buyer will agree on the number of Buyer Leakage Adjustment Shares and Seller Leakage Adjustment Shares and therefore on any adjustment to be made to the number of Initial Closing Consideration Shares, after giving effect to Section 2.07 (it being understood that the number of Initial Closing Consideration Shares shall be increased by the number of Buyer Leakage Adjustment Shares, and will be reduced by the number of Seller Leakage Adjustment Shares). For the avoidance of doubt, the parties agree that the adjustment mechanism to the number of Initial Closing Consideration Shares set forth in this Section 2.08(b) shall not be taken into consideration in the determination of whether (i) the condition to Seller’s obligation to consummate the Closing set forth in Section 10.03(i) has been satisfied (including with respect to the prohibition on permitting Leakage set forth in Section 5.01(a)(xxii)), and (ii) the condition to Buyer’s obligation to consummate the Closing set forth in Section 10.02(a)(i) has been satisfied (including with respect to the prohibition on permitting Leakage set forth in Section 5.01(b)(vii)).

The corresponding part of the Seller Disclosure Letter sets forth a true and complete list, by address and location, of each parcel of Transferred Owned Real Property and Transferred Leased Real Property. Seller has made available to Buyer copies of all deeds, title policies, title reports, surveys or similar instruments in the possession or under the control of Seller for each parcel of Transferred Owned Real Property.

To the Knowledge of Seller, no third party is infringing, misappropriating or otherwise violating any material Company Intellectual Property. To the Knowledge of Seller, the conduct of the Business as currently conducted does not infringe the Intellectual Property of any Person.

(g) The Company Group has taken commercially reasonable steps to protect the confidentiality of any trade secrets included in the Company Intellectual Property that are material to the Company Group.

(h) The Company Group has taken commercially reasonable steps to protect all IT Assets used in the Business from viruses, bugs, defects, Trojan horses, time bombs and other corruptants and contaminants (the “Viruses”). (i) Since the date that is three (3) years prior to the date hereof, there have been no: (A) outages, failures or breakdowns of IT Assets used in the Business, other than those that were remedied without material cost or liability; (B) material unauthorized intrusions or breaches of the security of the IT Assets used in the Business; or (C) material unauthorized disclosures, destructions, alterations or losses of, or access to, any personal data or personally identifiable information, used in the Business.

(j) The Company Group has in place commercially reasonable technical, administrative, training and organizational measures to prevent against any of the incidents listed in Section 3.08(i), including such measures to the extent applicable to employees, directors, contractors, consultants, suppliers or other third parties who have access to the IT Assets or data used in the Business, and, to the Knowledge of Seller, there has been no material breach of such measures.

(k) No material Software that is owned by any member of the Company Group is subject to or bound by any Open Source License, or any requirement that the source code for such material Software be delivered, disclosed, licensed or otherwise made available to any third party, other than as set forth in an Escrow Agreement.

(l) To the Knowledge of Seller, the IT Assets used by the Business (including the commercial products and services of the Business) are free of any material Viruses. Except as would not, individually or in the aggregate, be material to the Company Group, taken as a whole, no Person has brought or threatened in writing to bring any Proceeding (other than requests for support or corrections in the ordinary course of business) against any member of the Company Group with respect to any failure of (or actual or potential damages incurred due to their use of) such entities’ products and services, including for indemnity, breach of warranty, strict liability, failure to warn, negligence, product or design defect or similar theories.

(m) The Company Intellectual Property, the Intellectual Property rights and data that are expressly licensed in writing to the Company Group by third parties and the Intellectual Property rights and data that are made available to the Company Group under the Continuing 2018 Agreements together comprise all of the material Intellectual Property rights and data that are required to carry on the Business after Closing as it was carried on at the date of this Agreement and immediately prior to the 2018 Closing Date. No investigation by Buyer or other information received by Buyer shall operate as a waiver or otherwise affect any representation, warranty or agreement given or made by Seller hereunder. Neither the auditors and independent accountants of the Buyer Group or Company Group or their respective affiliates shall be obligated to make any work papers available to any person under this Agreement, unless and until such person has signed a customary confidentiality and hold harmless agreement relating to such access to work papers in form and substance reasonably acceptable to such auditors or independent accountants. (e) Each of the parties agrees that the Confidentiality Agreement shall be terminated as of the Closing; provided that such termination shall not release a breaching party thereto from any liability for any breach thereof prior to such termination.

(c) Buyer shall prior to any Recommendation Withdrawal use its reasonable best efforts to seek from its shareholders’ proxies in favour of the Buyer EGM Resolutions; provided that Buyer shall not be required to appoint any outside agent for such purpose.

(d) Buyer shall immediately cease, and shall cause its Subsidiaries and representatives to immediately cease, any discussions or negotiations with any Person that may be ongoing as at the date of this Agreement with respect to a Buyer Alternative Transaction or any proposal that could reasonably be expected to lead to Buyer Alternative Transaction, and shall request to have returned promptly any confidential information that has been provided in any such discussions or negotiations.

(e) Buyer shall not, and shall not authorize or permit any of its controlled affiliates or any of its or their officers, directors or employees to, and shall use its reasonable best efforts to cause any representatives retained by it or any of its controlled affiliates not to, directly or indirectly through another person, solicit, initiate or knowingly encourage (including by way of furnishing information), or knowingly take any other action designed to facilitate, any inquiries regarding, or the making of, any proposal the consummation of which would constitute a Buyer Alternative Transaction; provided, however, that if, at any time (prior to a Buyer EGM at which the Buyer Shareholder Approval is obtained) in relation to any such proposal that did not result from a material breach of this Section 5.03(e), a majority of the Buyer Board determines in good faith, after consultation with Buyer’s outside financial advisors and outside legal counsel, (acting in compliance with its fiduciary duties and/or statutory directors’ duties, including the statutory duties of directors set out in the Companies Act) that it should do so, Buyer and its representatives may (A) furnish information with respect to Buyer and its Subsidiaries to the person (or group of persons) making such proposal (and its representatives and financing sources) pursuant to a customary confidentiality agreement containing terms as to confidentiality, (B) participate in discussions or negotiations regarding such proposal with the person (or group of persons) making such proposal (and its representatives and financing sources) and (C) take any and all other steps to advance such proposal. Nothing in this Section 5.03(e) shall prevent Buyer from complying with its obligations under the UK Takeover Code (including providing information as may be required under Rule 21.3 of the UK Takeover Code should it be required to do so).
(f) Buyer shall procure that the Buyer Board will not at any time withdraw or adversely modify, qualify or amend the Buyer Recommendation (or its intention to make the Buyer Recommendation) (any of the foregoing, a “Recommendation Withdrawal”), provided that the Buyer Board may make a Recommendation Withdrawal if the Buyer Board has determined in good faith, after consultation with Buyer’s outside financial advisors and outside legal counsel, (acting in compliance with its fiduciary duties and/or statutory directors’ duties, including the statutory duties of the directors set out in Part 1 of the Companies Act) that the Buyer Recommendation should not be given or should be withdrawn, modified, qualified or amended.

(g) Subject always to applicable Law, prior to making a Recommendation Withdrawal (i) Buyer shall give to Seller at least four (4) Business Days’ notice (a “Prior Notice”) of the possibility that it may do so, together with such summary details of its reasons for possibly doing so, as Buyer is able to disclose in accordance with applicable Law (provided that, for the avoidance of doubt, Buyer shall not be required to disclose any inside information (as defined in the Market Abuse Regulation) or any information that it is required not to disclose as a result of the UK Takeover Code or any confidentiality obligation owed to a third party); and (ii) following delivery of a Prior Notice, Buyer shall, if requested by Seller, for a period of not less than three (3) Business Days following the date of the Prior Notice, discuss with Seller in good faith any potential modifications or adjustments to the terms of the Proposed Transaction and this Agreement such that Buyer would not make or intend to make a Recommendation Withdrawal. The parties agree that if the UK Panel on Takeovers and Mergers determines that Section 5.03 requires Buyer to take or not to take action that is not permitted by Rule 21.2 of the UK Takeover Code, that provision shall have no effect and shall be disregarded.

(h) For the avoidance of doubt, it is agreed that none of the following shall of itself constitute a Recommendation Withdrawal:

(i) the delivery of a Prior Notice by Buyer;

(ii) any public announcement of any Buyer Alternative Transaction or potential Buyer Alternative Transaction that Buyer determines it is required to make under applicable Law;

(iii) any announcement that Buyer considers is necessary to comply with applicable Law in order for it to follow the provisions set out in Section 5.03(g), including the giving of the Prior Notice; and

(iv) the announcement of any adjournment of the Buyer EGM to facilitate the provisions set out in Section 5.03(g).

Section 5.04. Preparation and Co-operation.

(a) Seller shall use reasonable best efforts to, and cause its affiliates and its and their respective officers, employees, consultants, counsel, advisors and other representatives (collectively, “representatives”) to use reasonable best efforts to provide such cooperation and assistance as may be reasonably requested by Buyer (in each case as promptly as reasonably practicable following Buyer’s request) in connection with preparing each Buyer Public
Document (at whatever time prior to the Termination Date they are to be published), in each case having due regard to the planned timing of publication of the relevant Buyer Public Document and the requirements of the Companies Act, the FSMA, the Listing Rules, the Prospectus Rules, the UKLA, the Admission and Disclosure Standards and any other applicable Law. Subject to and without limiting the foregoing, Seller shall use reasonable best efforts to, and shall cause its affiliates and its and their respective representatives to use reasonable best efforts to, at the request of Buyer, provide the Required Information on a timely basis having regard to the planned timing of publication of the relevant Buyer Public Document (with such updates, amendments or modifications as thereto as may be required), assist with due diligence and provide appropriate verification materials, explanations and management meetings, attend meetings of Buyer’s audit and risk committee and/or other board committees, present on and discuss at such meetings the financial disclosures relating to the Company Group proposed to be included in the relevant Buyer Public Document and provide such comfort, representation and authorization letters as are reasonably requested by Buyer or its representatives in relation to the information contained in each Buyer Public Document relating to the Company Group. Seller shall cause each of the proposed nominee directors of Buyer (being those directors as have been nominated for appointment by Seller, such appointment to come into effect on the Closing Date), to accept responsibility in the form required by the Prospectus Rules for the information contained in the Buyer Prospectus.

(b) Buyer shall provide Seller and its representatives reasonably advanced drafts of each Buyer Public Document and provide Seller and its representatives with a reasonable opportunity to review and comment thereon and will consider in a commercially reasonable manner any comments made by Seller in respect of each such document (and Seller shall have the right to comment thereon and, to the extent that such comments relate to information contained therein about the Company Group, to have its reasonable comments reflected therein, in all events, subject to Buyer’s due regard to the requirements of the Companies Act, the FSMA, the Listing Rules, the Prospectus Rules, the UKLA and/or applicable Law). Seller agrees that none of the information supplied by or on behalf of it for use in any Buyer Public Document (or any document related thereto) or in connection with the Proposed Transaction will, at the time such document is posted or otherwise made public, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If, at any time prior to the Closing Date any information relating to the Company Group (i) is discovered by any party hereto that should, to the knowledge of such party, be set forth in an amendment or supplement to any Buyer Public Document or any document related thereto, so that such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or (ii) requires, to the knowledge of such party, any update to meet the applicable requirements of the Companies Act, the FSMA, the Listing Rules, the Prospectus Rules, the UKLA, the Admission and Disclosure Standards and/or any applicable Law insofar as such information is required to be included in the relevant Buyer Public Document at the relevant time of publication, the party that discovers such fact shall promptly notify the other parties. If any information relating to the Company Group requires any update, amendment or modification pursuant to the immediately preceding sentence, Seller will use its reasonable best efforts to provide such updated, amended or modified information as promptly as reasonably practical.
(c) The parties agree that the publication of any information provided by Seller or its Subsidiaries or representatives in any Buyer Public Document or any other public documentation in connection with any Buyer Public Document pursuant to this Section 5.04, and, subject to compliance with Seller’s rights in the foregoing clause (b), any other information relating to the Company Group or its affiliates in any Buyer Public Document or any other public documentation in connection with any Buyer Public Documents is a permitted disclosure for the purposes of the Confidentiality Agreement and Section 5.02.

(d) Buyer shall prior to Closing prepare (in accordance with the Listing Rules and the Prospectus Rules), the Buyer Prospectus and (subject to having been provided on a timely basis with any information required from Seller or its Subsidiaries for the purposes of preparing the Buyer Prospectus) use its reasonable best efforts to have the Buyer Prospectus approved by the Financial Conduct Authority as soon as practicable after the conditions set out in Section 10.01(a) and Section 10.01(e) are satisfied. Buyer shall (subject to having been provided on a timely basis with any information required from Seller or its Subsidiaries for such purpose) use its reasonable best efforts to secure Admission of the Buyer Shares in issue at Closing, including the Closing Ordinary Shares, to the premium listing segment of the Official List and trading on the Exchange’s Main Market for Listed Securities prior to or at Closing (and, with respect to the Deferred Issue Shares, to secure the same on or prior to the Deferred Share Issuance Date), and, to the extent the Financial Conduct Authority accepts that the process for applying for the Admission of Buyer Shares following conversion of Limited-Voting Ordinary Shares to the premium listing segment of the Official List is likely to be very onerous due to the frequent or irregular nature of such applications, after Closing apply for a block listing in respect of the maximum number of Buyer Shares to be subject to such applications following conversion of the Limited-Voting Ordinary Shares and, if granted, maintain such block listing whilst any Limited-Voting Ordinary Shares remain in issue.

Section 5.05. Notices of Certain Events.

(a) Seller and Buyer shall promptly notify the other of:

(i) any notice or other written communication from any Person who is a Governmental Entity or a party to a Business Contract with a member of the Company Group alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement;

(ii) subject to the provisions of Section 5.08, any notice or other substantive communication from any Governmental Entity in connection with the transactions contemplated by this Agreement;

(iii) any Proceedings commenced or, to its knowledge threatened against, relating to or involving or otherwise affecting Seller or its Subsidiaries, the Refinitiv Sellers or any member of the Company Group or Buyer and any of its Subsidiaries, as the case may be, that involve amounts in controversy of at least $10,000,000 and, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to any Section of this Agreement or that relate to the consummation of the Proposed Transaction;
(iv) any inaccuracy of any representation or warranty contained in this Agreement of which it has or acquires Knowledge at any time during the term hereof that could reasonably be expected to cause the conditions set forth in Section 10.02(a)(ii) or Section 10.03(ii) not to be satisfied; and

(v) any failure of that party to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder of which it has or acquires Knowledge;

provided, however, that the delivery of any notice pursuant to this Section 5.05 shall not limit or otherwise affect the remedies available hereunder to the party receiving that notice, and provided, further, that in each of the foregoing clauses (iv) and (v), failure to so notify by the applicable party shall not be taken into account to determine whether the conditions set forth in Section 10.02(a)(i) or Section 10.03(i) have been satisfied.

(b) Seller shall notify Buyer promptly after becoming aware of (i) anything which has resulted in any Leakage (other than Seller Permitted Leakage) since June 30, 2019, (ii) any material Cyber Event, and (iii) the resignation or termination of any employee who is a member of the Executive Leadership Team or any employee who directly reports to a member of the Executive Leadership Team.

(c) Buyer shall notify Seller (i) promptly after becoming aware of anything which has resulted in any Leakage (other than Buyer Permitted Leakage) since June 30, 2019, and (ii) of any proposed material change of any method of financial accounting or accounting practice or policy used by any member of the Buyer Group, other than such changes as are required by IFRS or a Governmental Entity of competent jurisdiction.

Section 5.06. Exclusive Dealing. During the period from the date of this Agreement through the Closing or the earlier termination of this Agreement pursuant to its terms, Seller shall not take, and shall instruct its affiliates and representatives not to take, any action to knowingly encourage, initiate or engage in discussions or negotiations with, or provide any information to, any Person (other than Buyer and its affiliates and Buyer’s representatives) concerning any purchase of capital stock of any wholly-owned member of the Company Group or any merger, sale of substantial or material assets or similar transaction involving any wholly-owned member of the Company Group, other than as contemplated by this Agreement or permitted under Section 5.01(a).

Section 5.07. Privacy. Each party hereto agrees to take all reasonable actions and execute all agreements and documents necessary to comply with applicable Laws relating to privacy and/or personal and personally identifiable, sensitive or regulated information, in connection with consummating the transactions contemplated by this Agreement.

Section 5.08. Efforts; Further Assurances.

(a) Each party hereto shall (i) use its reasonable best efforts to determine within thirty (30) days following the date of this Agreement whether any authorizations, consents, non-objections, orders and approvals of any Governmental Entities or Public Officials additional to those set forth in Sections 10.01(a)(i), 10.01(a)(ii), 10.01(a)(iii) and 10.01(e) of the Buyer
Disclosure Letter and Sections 10.01(a)(i), 10.01(a)(ii), 10.01(a)(iii) and 10.01(e) of the Seller Disclosure Letter are necessary or advisable in connection with the consummation of the Proposed Transaction and the Buyer Disclosure Letter and the Seller Disclosure Letter shall be deemed updated to include such additional filings upon mutual agreement of the parties, (ii) use its reasonable best efforts to obtain all authorizations, consents, non-objections, orders and approvals of all Governmental Entities and officials that may be or become necessary or advisable for its execution and delivery of, and the performance of its obligations pursuant to, this Agreement and the Ancillary Agreements, (iii) use its reasonable best efforts to cooperate with the other party in seeking to obtain all such authorizations, consents, non-objections, orders and approvals and (iv) provide as promptly as reasonably practicable such information to any Governmental Entity as such Governmental Entity may require in connection herewith. Each party agrees to make as promptly as reasonably practicable and advisable its respective filings and notifications, if any, under any Antitrust Law and Foreign Investment Law in the jurisdictions set forth on Sections 10.01(a)(i), 10.01(a)(ii), and 10.01(e) of the Buyer Disclosure Letter and Sections 10.01(a)(i), 10.01(a)(ii), and 10.01(e) of the Seller Disclosure Letter (both Buyer Disclosure Letter and Seller Disclosure Letter as deemed to be updated in accordance with this Section 5.08(a)(i)) and to supply as promptly as reasonably practicable to the appropriate Governmental Entities any additional information and documentary material that may be required pursuant to such Antitrust Law and Foreign Investment Law.

(b) Without limiting the generality of each party’s undertaking pursuant to Section 5.08(a), each party agrees to use reasonable best efforts to avoid or eliminate each and every impediment under any applicable Antitrust Law that may be asserted by any Governmental Entity or any other party so as to enable the parties to close the Proposed Transaction prior to the Termination Date including avoiding the entry of, and the commencement of litigation seeking the entry of, or to effect the dissolution of, any injunction, temporary restraining order, judgment, decision, opinion, or other order in any suit or proceeding or other impediment, which would have the effect of preventing the consummation of the Proposed Transaction.

(c) Without limiting the generality of each party’s undertaking pursuant to Section 5.08(a), each party agrees to use reasonable best efforts to (i) propose, negotiate, commit to and effect, by consent decree, hold separate orders, or otherwise, the sale, divestiture or disposition of assets, properties or businesses of the Buyer Group or the Company Group or any interest therein and (ii) otherwise take or commit to take any actions that would limit the Buyer Group’s or the Company Group’s freedom of action with respect to, or its ability to retain, any assets, properties, businesses, of the Buyer Group or the Company Group or any interest therein (each of the actions described above in this Section 5.08(c), a “Remedy”), in order to avoid the entry of, and the commencement of litigation seeking the entry of, or to effect the dissolution of, any injunction, temporary restraining order, judgment, decision, opinion, or other order in any suit or proceeding or other impediment under any applicable Antitrust Law, which would have the effect of preventing the consummation of the Proposed Transaction; provided that Seller shall not agree to commit to, and shall cause its affiliates to not agree or commit to any Remedy, or make any communication with any third party (other than Seller’s affiliates and representatives) about the possibility of a Remedy in each case without Buyer’s prior written consent. Notwithstanding any other provision of this Agreement, no other Section of this Agreement shall create any obligation on Buyer to propose, negotiate, commit to or effect any Remedy.
(d) The parties shall jointly develop, and each of the parties shall consult and cooperate in all respects with one another, and consider in good faith the views of one another, in connection with the form and content of any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party in connection with Proceedings under or relating to any Antitrust Law or Foreign Investment Law prior to their submission; provided that, following such consultation and after considering in good faith all comments and advice of Seller and Company Group (and its counsel), Buyer shall have sole authority for devising, leading and implementing the strategy (including all decisions relating to any Remedies) for obtaining any necessary or advisable consents, approvals or non-objections under any Antitrust Law or Foreign Investment Law, including litigation matters with respect to any Antitrust Law or Foreign Investment Law and Seller shall take such actions as are reasonable to implement such strategy. No member of the Buyer Group, Seller, the Refinitiv Sellers or Company Group shall be required to (and without Buyer’s consent, Seller, the Refinitiv Sellers and the Company Group shall not) take any corrective action in order to obtain any approval or clearance from any Governmental Entity that is not conditioned upon the consummation of the Closing.

(e) Subject to applicable Law, each of Buyer and its affiliates, on the one hand, and Seller and its affiliates, on the other hand, shall (i) promptly notify the other of any substantive communication it or any of its affiliates or representatives receives from any Governmental Entity or members of its staff relating to the matters that are the subject of this Agreement (ii) furnish the other party promptly with copies of all correspondence, filings and communications between them and any Governmental Entity in connection with or relating to any investigation or inquiry under Antitrust Law with respect to the transactions contemplated by this Agreement and, (iii) subject to applicable Law, permit the other party to review in advance any proposed substantive communication by such party to any Governmental Entity in connection with or relating to any investigation or inquiry under Antitrust Law with respect to the transactions contemplated by this Agreement provided, however, that such materials (or any other information or materials provided to or received by any party under the first sentence of this (e)) may be redacted (provided that submissions to any Governmental Entity in connection with or relating to any investigation or inquiry under Antitrust Law shall be provided in unredacted form to the other party’s outside counsel) (x) to remove references concerning the valuation of the Business or Buyer’s consideration of the transactions contemplated by this Agreement, (y) as necessary to comply with contractual arrangements, including arrangements to comply with Rule 21.3 of the UK Takeover Code (should it apply), and (z) as necessary to address reasonable attorney-client or other privilege or confidentiality concerns, to the extent that such attorney-client or other privilege or confidentiality concerns are not governed by a common interest privilege or doctrine; and provided, further, that the parties may, as each deems advisable, reasonably designate any material or information provided to or received by any party under the first sentence of this (e) as “outside counsel only material”. Neither Buyer or its affiliates, on the one hand, nor Seller or its affiliates, on the other hand, shall participate in any substantive meeting, telephone conversation or other communication with any Governmental Entity in respect of any filings, investigation (including any settlement of the investigation), litigation or other inquiry, unless it consults with the other in advance and, to the extent permitted by such Governmental Entity and subject to any customary joint defense agreement with respect to the treatment of confidential information entered into by the parties or their counsel, gives the other party or its counsel the opportunity to attend and participate at such meeting, telephone
conversation or communication; provided that no such requirement shall apply with respect to any meeting that any member of the Buyer Group or the Seller Group may have with a (i) Governmental Entity if such meeting is not related to this Agreement or the Proposed Transaction or any investigation or inquiry relating to this Agreement or the Proposed Transaction under any Antitrust Laws or (ii) Governmental Entity that is a financial services regulator of any member of the Buyer Group or the Seller Group to the extent Buyer Group or Seller Group, as applicable, is not permitted to attend. Buyer and its affiliates, on the one hand, and Seller and its affiliates, on the other hand, subject to any customary joint defense agreement with respect to the treatment of confidential information entered into by the parties or their counsel, will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other may reasonably request pursuant to any applicable Antitrust Law so as to enable the parties to close the Proposed Transaction prior to the Termination Date.

(f) Subject in all cases to the limitations set forth in Section 5.08(e), in the event that any administrative or judicial action or proceeding is instituted (or threatened to be instituted) by a Governmental Entity (other than any financial regulator) challenging the transactions contemplated by this Agreement, or any other agreement contemplated hereby, the parties shall cooperate in all respects with each other and use their respective reasonable best efforts to contest, resist and defend any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement. Notwithstanding anything in this Agreement or the Ancillary Agreements to the contrary, nothing in this Section 5.08 or any other provision of this Agreement shall require or obligate Seller or any of its affiliates (including, for purposes of this Section 5.08(f), The Blackstone Group, Inc., Thomson Reuters Corporation, Canada Pension Plan Investment Board or GIC Private Ltd and any investment funds or investment vehicles affiliated with, or managed or advised by, The Blackstone Group, Inc., Canada Pension Plan Investment Board or GIC Private Ltd or any portfolio company (as such term is commonly understood in the private equity industry) or investment of The Blackstone Group, Inc., Canada Pension Plan Investment Board or GIC Private Ltd or of any such investment fund or investment vehicle) to, and Buyer shall not, without the prior written consent of Seller, agree or otherwise be required to, take any action with respect to Seller or any of its affiliates (other than with respect to the Company Group solely in accordance with, and subject to the limitations set forth in, this Section 5.08), including selling, divesting, or otherwise disposing of, licensing, holding separate, or taking or committing to take any action that limits in any respect its freedom of action with respect to, or its ability to retain, any business, products, rights, services, licenses, assets or properties of Seller or any of its affiliates, or any interest therein, other than with respect to the Company Group solely in accordance with, and subject to the limitations set forth in, this Section 5.08.

(g) To the extent that a Governmental Entity requests any (x) nonpublic or other confidential financial or sensitive personally identifiable information of The Blackstone Group, Inc., Thomson Reuters Corporation, Canada Pension Plan Investment Board or GIC Private Ltd (the “Equity Investors”), their respective affiliates and their respective directors, officers, employees, managers or partners, or its or their control persons’ or direct or indirect equityholders’ and their respective directors’, officers’, employees’, managers’ or partners’
(collectively with the Equity Investors, the “**Equity Investor Related Persons**”) (other than such information with respect to the officers and directors of Seller and the vehicles owned by the Equity Investors and holding equity interests in Seller, which may be provided to a Governmental Entity on a confidential basis), or (y) disclosure of the identities of direct or indirect limited partners, shareholders, members or beneficiaries of any Equity Investor or its affiliates that beneficially own less than 5% of any such entity (including any affiliated investment funds), prior to being required to disclose such information Seller shall be given a reasonable opportunity to enter into good faith discussions with the Governmental Entity to resolve such requests and use its reasonable best efforts to identify and effect alternative means of satisfying any such request, provided that if the Governmental Entity continues to demand such information after good faith discussions, Seller shall, and shall cause its applicable affiliates to supply such information. Notwithstanding anything to the contrary herein, Seller and the Equity Investors may designate any materials provided to a Governmental Entity that contain sensitive information (as determined by the applicable Equity Investor Related Person) in respect of an Equity Investor Related Person as limited to such person only and such materials and the information contained therein shall not be disclosed by Buyer to any of the other parties without the prior written consent of such Equity Investor Related Person.

(h) Seller agrees to cause the proceeds of any Remedies effected in connection with this Section 5.08 with respect to any assets, properties or businesses of the Company Group (i) to be paid in their entirety to the Company Group, (ii) to remain the property of the Company Group until the Closing, and (iii) to not be used to repay or redeem any Indebtedness of the Company Group or any other Person.

(i) Nothing in this Section 5.08 shall limit Seller’s ability to deliver a Pre-Termination Notice with respect to Antitrust Laws.

**Section 5.09. Contracts with Affiliates.** Except for any applicable Ancillary Agreement, any Continuing 2018 Agreements the term of which expires after the Closing Date, the TR Commercial Contracts, any Contracts involving the provision of goods and/or services by the Company Group in the ordinary course of business and on arm’s length terms, any Indebtedness that is also held by third parties unaffiliated with Seller on market terms and the arrangements, accounts and obligations described in the corresponding part of the Seller Disclosure Letter, all intercompany agreements and accounts between Seller and/or any of its affiliates (other than the Company Group), on the one hand, and any member of the Company Group, on the other hand, shall be terminated and settled in full immediately at or prior to the Closing, without any liability or ongoing obligation.

**Section 5.10. Public Announcements.** Buyer and Seller agree to consult with each other before they or their affiliates issue any press release or make any public statement with respect to this Agreement or the transactions contemplated hereby and, except for any press releases and public statements the making of which may be required by Law or any listing agreement with any national securities exchange, will not issue any such press release or make any such public statement prior to such consultation. This Section 5.10 shall not apply to the Buyer Public Documents or the publication of any information included in the Buyer Public Documents published at such time or to the use of the Required Financing Information in connection with any Takeout Financing.
Section 5.11. Pre-Closing Restructuring; Cash Structure; Protective Action; Integration; Contribution Plan; New R&W Insurance Policy.

(a) Each of Buyer and Seller agrees to, and to cause its affiliates to, take the steps required to be taken by it or any of its affiliates or the Company Group, as the case may be, set forth in Section 5.11(a) of the Seller Disclosure Letter (the “Pre-Closing Restructuring Plan”) prior to the Closing Date. Seller agrees to procure that the loan note instruments released in Step 1 of the Pre-Closing Restructuring Plan shall be the loan note instruments disclosed in Section 3.09(a)(i)(10) of the Seller Disclosure Letter. For purposes of this Section 5.11(a), affiliates of Seller shall mean only the Refinitiv Sellers and members of the Company Group. Each of Buyer and Seller agrees to use reasonable best efforts to keep the other party informed with respect to its progress in implementing the steps described in the Pre-Closing Restructuring Plan and to provide as promptly as reasonably practicable such information or documentation as the other party may reasonably request in connection with the implementation of the steps described in the Pre-Closing Restructuring Plan. Seller agrees to provide drafts of all documentation to be entered into and all corporate resolutions to be approved in either case as part of the implementation of the Pre-Closing Restructuring Plan (“Pre-Closing Documents”) to the Buyer for review and comment in advance of execution or approval of such Pre-Closing Documents. Seller shall ensure that Buyer has a reasonable period of time in which to review and comment on any Pre-Closing Documents prior to implementation and shall ensure that all reasonable comments of the Buyer are taken into account and shall deliver to Buyer the final version of any Pre-Closing Documents in a reasonable period of time prior to the execution of such Pre-Closing Documents.

(b) Following the date of this Agreement, each of Buyer and Seller shall cooperate (and shall cause their respective affiliates to cooperate) with one another in good faith to amend the steps of the Pre-Closing Restructuring Plan or the Closing Steps upon the reasonable request of any party or their affiliates, where such request is reasonably necessary to mitigate any material adverse Tax consequence to the parties or their affiliates or to effect the Proposed Refinancing in an economic manner. Such cooperation shall include good faith consultation and consideration of any proposed amendment; provided that no such amendment shall be made without each party’s consent (such consent not to be unreasonably withheld, conditioned or delayed). In the event that the parties agree under this Section 5.11(b) to make any amendments the parties shall cooperate in good faith to make any amendments to this Agreement as may be reasonably necessary to implement such changes to the Pre-Closing Restructuring Plan or Closing Steps.

(c) Buyer shall, and Seller shall cause the Company Group (other than the Non-Wholly Owned Subsidiaries) and the Cyber Committee to, comply between the date of this Agreement and the Closing Date with all of their covenants and agreements set forth in Section 5.11(c) of the Seller Disclosure Letter. For clarity all references in Section 5.11(c)-(e) and in Section 5.11(c) of the Seller Disclosure Letter to the Company Group, the Business, and the In-Scope Assets shall exclude any Non-Wholly Owned Subsidiary or any businesses or IT Assets of any Non-Wholly Owned Subsidiary. All capitalized terms used in Section 5.11(c)-(f) and/or Section 5.11(c) of the Seller Disclosure Letter and not defined herein shall have the meanings set forth in Section 1.01, Section 1.01(a) of the Seller Disclosure Letter or Section 5.11(c) of the Seller Disclosure Letter, as applicable.
(d) Between the date of this Agreement and the Closing Date, Seller shall cause the Company Group to maintain insurance policies, which in the aggregate, have a limit of at least the amount set out in the corresponding part of the Seller Disclosure Letter for claims arising from a single Cyber Event or series of related Cyber Events in a single calendar year.

(e) The inclusion of the Incremental Cyber Contribution in the calculation of the Seller Leakage Adjustment Shares through clause (a)(vi) of the “Leakage” definition shall be: (i) Buyer’s sole remedy with respect to any breach of covenant or agreement under Section 5.11(c) and/or Section 5.11(c) of the Seller Disclosure Letter (other than: (A) paragraph 1.10; and (B) the last two sentences of paragraph 1.11 of Section 5.11(c) of the Seller Disclosure Letter), including any failure to complete the Priority Remediation by the Closing Date; and (ii) in lieu of Buyer’s right to claim indemnification under Section 11.02(a)(i) with respect to the Seller’s breach of its covenants and agreements under Section 5.11(c) or the Company Group’s breach of its obligations in Section 5.11(c) of the Seller Disclosure Letter (in each case, other than: (A) paragraph 1.10; and (B) the last two sentences of paragraph 1.11 of Section 5.11(c) of the Seller Disclosure Letter), in each case, with respect to such breach or failure. The Buyer shall have no liability for any breach of its covenants and agreements under Section 5.11(c) of the Seller Disclosure Letter (other than: (A) paragraph 1.10; and (B) the last two sentences of paragraph 1.11 of Section 5.11(c) of the Seller Disclosure Letter).

(f) Seller, solely in its capacity as the beneficial owner of shares or other equity interests of the Non-Wholly Owned Subsidiaries, agrees to use its reasonable best efforts to provide Buyer, on reasonable request by Buyer from time to time prior to the Closing Date (but in any event, no more often than on a quarterly basis), with access to appropriate personnel of each Non-Wholly Owned Subsidiary to facilitate Buyer discussing with such Non-Wholly Owned Subsidiary the Cyber Security Information relating to that Non-Wholly Owned Subsidiary (subject to the same caveats in paragraph 1.9(a) and (b) of Section 5.11(c) of the Seller Disclosure Letter). Seller shall use reasonable best efforts to have the first above access to occur within one month of the date of this Agreement. Buyer shall treat such Cyber Security Information as if it were Cyber Project Information delivered by the Company Group to Buyer under Section 5.11(c) of the Seller Disclosure Letter (including by complying with the provisions of paragraph 1.10 of Section 5.11(c) of the Seller Disclosure Letter with respect to such information).

(g) Buyer and Seller shall, as soon as reasonably practicable following the date of this Agreement, establish and, until the Closing, maintain a committee to discuss the integration of the Business and the business of the Buyer Group following Closing (the “Pre-Closing Integration Committee”). The terms of reference and the members of the Pre-Closing Integration Committee are set out in the corresponding part of the Seller Disclosure Letter. The Pre-Closing Integration Committee shall meet at least once in each month between the date of this Agreement and the Closing or with such other frequency or for such other period as Buyer and Seller agree is reasonably required in connection with the integration of the Business and the business of the Buyer Group.

(h) Seller shall, and shall cause its affiliates to reasonably assist Buyer in obtaining the New R&W Insurance Policy, including, without limitation, through the delivery to the
insurers of a customary no claims declaration as of the one-year anniversary of this Agreement and as of the Closing Date.

Section 5.12. Standstill. Section 5.13. Non-Compete; Non-Solicitation.

(a) Except as otherwise provided in this Section 5.13 for a period of 3 years following the Closing, Seller will not, and will cause its Subsidiaries not to, directly or indirectly: (i) offer or sell any products, services, software or solutions that are, or can serve as reasonable substitutes for, the Covered Products; or (ii) manage, operate, advise, or acquire or own equity or voting interests in any Person that engages in any business that would be prohibited under Section 5.13(a). The parties acknowledge and agree that Seller has granted the covenants set forth in this Section 5.13(a) to maintain and preserve the fair market value of the Company Group transferred to Buyer pursuant to this Agreement.

(b) Nothing in Section 5.13(a) shall: (i) prohibit Seller or any of its Subsidiaries from directly or indirectly acquiring or owning equity interests of a Public Company constituting less than 5% of the outstanding voting power thereof; (ii) prohibit Seller or any of its Subsidiaries from acquiring (through merger, stock purchase or purchase of assets or otherwise) ownership of or equity interests in, and thereafter managing, operating, or advising any Person, provided that (A) in the most recently completed full fiscal year, such Person derived no more than $50,000,000 of revenues from products, services, software or solutions that can serve as reasonable substitutes for Covered Products; and (B) if the Person engaging in the business that would otherwise be prohibited under Section 5.13(a) becomes a Subsidiary of Seller immediately after such acquisition, then Seller will, as soon as reasonably practicable, but in any event within one year after the closing of such acquisition terminate or divest, in whole, the business of such Person which would otherwise be prohibited under Section 5.13(a).

(d) If any provision contained in this Section 5.13 shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Section 5.13, but this Section 5.13 shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. It is the
intention of the parties that if any of the restrictions or covenants contained herein is held to cover a geographic area or to be for a length of time which is not permitted by applicable Law, or in any way construed to be too broad or to any extent invalid, such provision shall not be construed to be null, void and of no effect, but to the extent such provision would be valid or enforceable under applicable Law, a court of competent jurisdiction shall construe and interpret or reform this Section 5.13 to provide for a covenant having the maximum enforceable geographic area, time period and other provisions (not greater than those contained herein) as shall be valid and enforceable under such applicable Law. Each party acknowledges that the other party would be irreparably harmed by any breach of this Section 5.13 and that there would be no adequate remedy at law or in damages to compensate such non-breaching party for any such breach.

(e) The restrictive covenants contained in this Section 5.13 or delivered pursuant to this Agreement (the “Restrictive Covenants”) are being granted to maintain and preserve the fair market value of the Shares transferred by the Refinitiv Sellers to Buyer under this Agreement. Each of Seller and Buyer acknowledges and agrees that: (i) no proceeds shall be received or receivable by Seller or any other Person for granting the Restrictive Covenants and (ii) the Restrictive Covenants are integral to this Agreement.

(a) Substantially concurrently with the Closing, Buyer shall, or Buyer shall provide Refinitiv US Holdings with the funds necessary to, (i) repurchase, repay, redeem, satisfy and discharge in full and terminate the Senior Secured Notes, the Senior Unsecured Notes, the Senior Secured Indenture and the Senior Unsecured Indenture, (ii) repay in full and terminate the Senior Credit Facility, (iii) repay in full and terminate any other Indebtedness incurred as permitted by Section 5.01(a)(x)(C) of this Agreement and (iv) unless the lenders thereunder have waived any events of default resulting from the transactions contemplated by this Agreement prior to Closing, repay in full and terminate the Tradeweb Credit Facility ((i), (ii), (iii) and (iv) collectively, the “Proposed Refinancing”). No less than five (5) Business Days prior to Closing, Seller shall provide Buyer with an estimate of the amount of funds necessary to consummate the Proposed Refinancing (together with applicable calculations showing the determination of such amounts), and no less than two (2) Business Days prior to Closing, Seller shall provide Buyer with a final notification of the exact amount of funds necessary to consummate the Proposed Refinancing (together with applicable calculations showing the determination of such amounts). Subject to Buyer complying with the first sentence of this Section 5.14(a), substantially concurrently with the Closing, Seller shall (i) cause Refinitiv US Holdings to obtain and deliver to Buyer in form and substance reasonably satisfactory to Buyer and its financing sources, customary payoff letters, Lien and guarantee releases and/or instruments of termination, evidencing that each of the Senior Secured Indenture, the Senior Unsecured Indenture, the Senior Credit Facility and any other agreement governing Indebtedness incurred as permitted by Section 5.01(a)(x)(C) of this Agreement has been terminated or repaid and that all guarantees and Liens securing any such Indebtedness have been released and (ii) use its reasonable best efforts to cause Tradeweb to obtain and deliver to Buyer in form and substance reasonably satisfactory to Buyer and its financing sources, customary payoff letters, Lien and guarantee releases and/or instruments of termination, evidencing that the Tradeweb Credit Facility has been terminated or repaid and that all guarantees and Liens securing any such Indebtedness shall have been released
(unless the lenders thereunder have waived any events of default resulting from the transactions contemplated by this Agreement prior to Closing) (the “Pay-Off Letters”), and authorizing Buyer or its designees to file UCC-3 termination statements or take such other action necessary or desirable to evidence the termination of such Liens (with such Pay-Off Letters to be conditioned on the Closing). For the avoidance of doubt, the maximum amount of Indebtedness to be repaid, redeemed or retired pursuant to the Takeout Financing shall not exceed (A) $1,250,000,000 aggregate principal amount of 6.250% Senior First Lien Notes due 2026, €860,000,000 aggregate principal amount of 4.500% Senior First Lien Notes due 2026, $1,575,000,000 aggregate principal amount of 8.250% Senior Notes due 2026 and €365,000,000 aggregate principal amount of 6.875% Senior Notes due 2026, in each case issued by Refinitiv US Holdings, (B) $6,500,000,000 of aggregate principal amount outstanding of dollar term loans, €2,355,000,000 of aggregate principal amount outstanding of euro term loans and $750,000,000 of aggregate principal amount outstanding of revolving credit loans, in each case, under the Senior Credit Facility, (C) the amount of any other Indebtedness incurred as permitted by Section 5.01(a)(x)(C) of this Agreement and (D) $500,000,000 of aggregate principal amount outstanding under the Tradeweb Credit Facility, in the case of each of clause (A), (B), (C) and (D), plus accrued and unpaid interest and unpaid penalties, fees, charges, breakage costs, make-whole payments, other payment obligations and prepayment premiums.

(b) Prior to the Closing, at Buyer’s request, Seller shall (A) cause Refinitiv US Holdings to (i) issue notices of redemption for all outstanding Senior Secured Notes and Senior Unsecured Notes in accordance with the Senior Secured Indenture and the Senior Unsecured Indenture, respectively. (ii) issue a notice of prepayment of all loans under and termination of all commitments under and in accordance with the Senior Credit Facility and (iii) issue appropriate notices of redemption or notices of prepayment in respect of all other Indebtedness incurred as permitted by Section 5.01(a)(x)(C) of this Agreement and (B) unless the lenders thereunder have waived any events of default resulting from the transactions contemplated by this Agreement prior to Closing, use reasonable best efforts to cause Tradeweb to issue a notice of prepayment of all loans under and termination of all commitments under and in accordance with the Tradeweb Credit Facility, in each case, which notices will be conditional on the Closing.

(c) Buyer acknowledges that to the extent any guarantees, letters of credit, bonds or similar arrangements have been issued by Seller or its affiliates to support liabilities and obligations of the Company Group, other than the guarantees, funding arrangements and covenant support arrangements in respect of a Company UK Pension Plan (each, a “Seller Group Guarantee”), such Seller Group Guarantees are not intended to continue after the Closing. Buyer agrees that it shall use its reasonable best efforts to arrange and put into place credit support or similar arrangements to replace the Seller Group Guarantees which will be in effect at the Closing or will use its reasonable best efforts to arrange for itself or one of its Subsidiaries to be substituted as the primary obligor thereon as of the Closing through a novation, an assumption, accession, acknowledgement or similar agreement with the beneficiary of the applicable Seller Group Guarantee; provided, however, that if such replacement or substitution is not practicable after a reasonable period, Buyer will terminate, if terminable, or not renew such arrangement that is the subject of such guarantee. In any event, Buyer shall indemnify and hold harmless Seller and its affiliates from and against any and all Damages incurred by any of them relating to, or arising out of, the Seller Group Guarantees, except to the extent such Damages are caused by Seller and its affiliates not complying with its obligations
under the applicable Seller Group Guarantee, and shall not amend, modify or renew any Contract subject to a Seller Group Guarantee without the consent of Seller in its sole discretion. The Seller Group Guarantees in effect as of the date hereof are set forth on Section 5.14(c) of the Seller Disclosure Letter.

(d) In addition, from the date hereof through the Closing, Seller shall reasonably cooperate with Buyer and take all actions necessary to effect the redemption, repayment, repurchase and/or satisfaction and discharge of the Senior Secured Notes, the Senior Unsecured Notes, the prepayment of the Senior Credit Facility, the prepayment of the Tradeweb Credit Facility and any other Indebtedness incurred as permitted by Section 5.01(a)(x)(C) of this Agreement at or substantially concurrently with Closing, including, without limitation, preparation and delivery of all notices to the trustee required pursuant to the Senior Secured Indenture or the Senior Unsecured Indenture, as applicable, preparation, execution and delivery of all officer’s certificates or other documentation required under the Senior Secured Indenture or the Senior Unsecured Indenture, as applicable, taking actions necessary to effect a redemption of a portion of the Senior Secured Notes and/or the Senior Unsecured Notes pursuant to the “equity claw” provisions of the Senior Secured Indenture and/or the Senior Unsecured Indenture (to the extent permitted under the Senior Secured Indenture and/or the Senior Unsecured Indenture), preparation of all documents necessary to effect the release of all guarantees and Liens under such Indebtedness, and preparation of any and all documentation requested by the applicable trustee and/or collateral agent under the Senior Secured Indenture or the Senior Unsecured Indenture, as applicable, in order to effect the redemption of the Senior Secured Notes and the Senior Unsecured Notes (other than any opinions of counsel, which shall be delivered by counsel to Buyer). Seller shall prepare and give Buyer a reasonable amount of time to review all such documentation related to the repurchase, redemption, repayment, satisfaction and discharge of the Senior Secured Indenture and the Senior Unsecured Indenture and the repayment in full and termination of the Senior Credit Facility. At the request of Buyer, Seller shall use its reasonable best efforts to cause Tradeweb to seek a waiver or amendment under the Tradeweb Credit Facility in order to allow such facility to remain in effect at and following Closing, including, without limitation, with respect to any event of default which may occur as a result of Closing. Buyer shall indemnify and hold harmless Seller, each member of the Company Group, and each of their respective Subsidiaries, directors, officers, employees, agents and other representatives, including legal and accounting advisors, from and against any and all liabilities suffered or incurred in connection with the Proposed Refinancing or any assistance or activities provided in connection therewith or with this Section 5.14, other than liabilities that are the result of the gross negligence or willful misconduct by Seller or any member of the Company Group. Buyer shall promptly reimburse Seller and each member of the Company Group for all reasonable and documented out-of-pocket costs (including reasonable attorney’s fees) incurred by Seller and each member of the Company Group and each of their respective Subsidiaries, directors, officers, employees, agents and other representatives in connection with the cooperation by Seller and each member of the Company Group, or their respective Subsidiaries, directors, officers, employees, agents and other representatives pursuant to this Section 5.14 or in connection with its compliance with its obligations under this Section 5.14.

(c) During the period that begins as of the Closing Date and continues through October 31, 2021, Buyer subsidiaries shall maintain in effect for the Company Group a code of business conduct and ethics substantially similar to Seller’s and its subsidiaries’ (excluding Tradeweb Markets Inc.) Code of Business Conduct and Ethics immediately prior to the Closing.
(provided, however, that nothing in this Section 9.01(c) shall preclude Buyer from applying, in addition to such Code of Business Conduct and Ethics, the principles of its own code of conduct or from taking steps to prepare a combined code of conduct which may be implemented within the Company Group on or after November 1, 2021).

Section 9.02. Retention. On or before October 1, 2019 (but continuing through the Closing Date, as necessary), Buyer and Seller shall discuss in good faith the design and implementation of a retention plan for the benefit of eligible Employees (benefits under such retention plan to be payable by Buyer and its affiliates). Any retention proposal will be based upon consultation by Buyer and Seller in good faith with members of the Company Group, as appropriate, and will be subject to the approval of Buyer’s remuneration committee. The Chief People Officer for the Company Group and Buyer’s Group Head of HR will discuss in good faith the allocation of the retention pool established by Buyer. The Company Group’s views on any such allocation will be given due and appropriate consideration by Buyer, and Buyer’s agreement to the proposed allocation of the retention pool shall not be unreasonably withheld.

Section 9.03. Management Incentive Plan. Between the date hereof and Closing (but with reasonable efforts to secure the agreement referred to in this Section 9.03 by no later than September 30, 2019), Seller will use its reasonable best efforts (with the cooperation of Buyer) to secure the agreement of each Employee who participates in the Seller Management Incentive Plan to certain amendments to the Seller Management Incentive Plan by execution of a letter agreement in the form provided to Buyer prior to the date of this Agreement. Notwithstanding the foregoing, neither Buyer nor Seller will have any obligation to pay any additional payments or benefits to any Employee in the Seller Management Incentive Plan to secure the agreement of such participant to execute the letter agreement.

Section 9.04. Section 280G Vote. Prior to the Closing, Seller shall (i) seek from each person who has a right to any payments and/or benefits as a result of or in connection with the transactions contemplated by this Agreement that would be deemed to constitute “parachute payments” (within the meaning of Section 280G of the Code and the regulations promulgated thereunder) a waiver of such person’s rights to some or all of such payments and/or benefits applicable to such person so that all remaining payments and/or benefits applicable to such person shall not be deemed to be “excess parachute payments” that would not be deductible for U.S. federal income Tax purposes as a result of Section 280G of the Code, and (ii) seek the approval of its voting stockholders in a manner that is intended to comply with Section 280G(b)(5)(B) of the Code and Treasury Regulation Section 1.280G-1, which shall include adequate written disclosure to all voting stockholders prior to such vote, of all such waived benefits. Prior to seeking such waivers, and prior to seeking such stockholder approval, Seller shall provide drafts of such waivers and such stockholder approval materials to Buyer for its review and reasonable comment. Prior to the Closing, Seller shall deliver to Buyer evidence that a vote of the Seller’s voting stockholders was solicited in accordance with the foregoing provisions of this Section 9.04 and that either (1) the requisite number of stockholder votes was obtained with respect to the waived benefits, or (2) that the requisite number of stockholder votes was not so obtained, and, as a consequence, the waived benefits shall not be made or provided.

Section 9.05. Health and Welfare Benefit Plans. With respect to any Buyer Benefit Plan in which any Continuing Employees become eligible to participate on or after the Closing
Date (the “New Plans”), Buyer shall use commercially reasonable efforts to: (i) cause any pre-existing conditions or limitations and eligibility waiting periods under any of its group health plans to be waived with respect to the Continuing Employees and their eligible dependents, except to the extent such pre-existing conditions, exclusions or waiting periods would apply under the analogous Employee Benefit Plan in which the Continuing Employee participated immediately prior to the Closing Date, (ii) provide each Continuing Employee and their eligible dependents with credit for any co-payments or coinsurance and deductibles paid prior to the Closing Date under a benefit plan that provides health care benefits (including medical, dental and vision), to the same extent that such credit was given under the analogous Employee Benefit Plan in which the Continuing Employee participated immediately prior to the Closing Date, in satisfying any applicable deductible, co-payment, coinsurance or maximum out-of-pocket requirements under any New Plans, and (iii) give the Continuing Employees service credit for such Continuing Employee’s employment with the Company or its applicable Subsidiary (or any prior employer) for all purposes in any New Plan to the same extent that such service was taken into account under the analogous Employee Benefit Plan in which the Continuing Employee participated immediately prior to the Closing Date; provided that the foregoing service recognition shall not apply to the extent it would result in duplication of benefits for the same period of service or for purposes of benefit accruals under a defined benefit pension plan.

Section 9.06. No Third-Party Rights. The provisions of this Article 9 are for the sole benefit of the parties hereto and nothing herein, express or implied, is intended or shall be construed to confer upon or give to any person (including any Employee), other than the parties to this Agreement and their respective successors and permitted assigns, any legal or equitable or other rights or remedies under or by reason of any provision of this Article 9. Nothing contained herein, express or implied: (a) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement (including any Employee Benefit Plan); (b) shall alter or limit Buyer’s ability to amend, modify or terminate any benefit plan, program, agreement or arrangement (including any Employee Benefit Plan); or (c) is intended to confer upon any Employee any right to employment or continued employment for any period of time by reason of this Agreement, or any right to a particular term or condition of employment.

Section 9.07. Labor Consultations. From the date hereof, each party shall, and shall cause its respective Subsidiaries to, cooperate and use good faith efforts in carrying out any and all applicable provisions of information to, or consultations, discussions or negotiations with, relevant unions, works councils or other employee representative groups.

ARTICLE 11
SURVIVAL; INDEMNIFICATION

Section 11.01. Survival. The representations and warranties of the parties hereto contained in this Agreement shall not survive the Closing. The (x) indemnification obligations in this Article 11 for the covenants and agreements of the parties hereto contained in this Agreement that are to be performed prior to the Closing and (y) indemnification obligations with respect to Leakage set forth in Section 11.02(a)(ii) and Section 11.02(b)(ii) below shall survive the Closing for a period of one year following the Closing Date (other than the covenant in Section 5.01(a)(xxiii) which shall not survive closing), and all other covenants and agreements shall survive the Closing until the expiration of the undertaking set forth in such agreements and covenants. Notwithstanding the preceding sentences, any breach of a covenant or agreement in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding sentences, if notice of the breach thereof giving rise to such right of indemnity shall have been given to the party against whom such indemnity may be sought prior to such time.
Section 11.02. Indemnification.

(a) For purposes of this Agreement, the “Buyer Indemnified Parties” shall be Buyer, its affiliates and their respective successors and assignees and, effective at the Closing, without duplication, each member of the Company Group and its respective successors and assignees (collectively, the “Buyer Indemnified Parties”). Effective at and after the Closing, Seller hereby indemnifies Buyer against and agrees to hold Buyer harmless from any and all damage, loss, liability and expense (including Taxes and reasonable expenses of investigation and reasonable attorneys’ fees and expenses in connection with any Proceeding whether involving a third party claim or a claim solely between the parties hereto (“Damages”), incurred or suffered by the Buyer Indemnified Parties arising out of (i) any breach of covenant or agreement to be performed by Seller or the Refinitiv Sellers pursuant to this Agreement or (ii) any Leakage (other than Seller Permitted Leakage) occurring on or after June 30, 2019 through the Closing Date.

(b) For purposes of this Agreement, the “Seller Indemnified Parties” shall be Seller, its affiliates and their respective successors and assignees (collectively, the “Seller Indemnified Parties”). Effective at and after the Closing, Buyer hereby indemnifies Seller against and agrees to hold Seller harmless from any and all Damages incurred or suffered by the Seller Indemnified Parties arising out of (i) any breach of covenant or agreement made or to be performed by Buyer, LSEGA UK or LSEGA2 UK pursuant to this Agreement or (ii) Seller’s Pro Rata Portion of any Buyer Leakage Event (other than Buyer Permitted Leakage) occurring on or after June 30, 2019 through the Closing Date.

Section 11.03. Indemnification Procedures.

(a) Third-Party Claims. If any party or parties (the “Indemnified Party”) receives written notice of the commencement of any Proceeding or the assertion of any claim by a third party or the imposition of any penalty or assessment for which indemnity may be sought under Section 11.02 (a “Third-Party Claim”), and such Indemnified Party intends to seek indemnity pursuant to this Article 11, the Indemnified Party shall promptly (but no later than thirty (30) days of receiving such notice) provide the other party or parties (the “Indemnifying Party”) with written notice of such Third-Party Claim, stating the nature, basis, the amount thereof (to the extent known or estimated, which amount shall not be conclusive of the final amount of such Third-Party Claim), the method of computation thereof (to the extent known or estimated), any other remedy sought thereunder, any relevant time constraints relating thereto, and, to the extent practicable, any other material details pertaining thereto, along with copies of the relevant documents evidencing such Third-Party Claim and the basis for indemnification sought. Failure of the Indemnified Party to give such notice on a timely basis will not relieve the Indemnifying Party from its indemnification obligations hereunder, except to the extent that the Indemnifying Party is actually and materially prejudiced thereby. The Indemnifying Party will have 15 days from receipt of any such notice of a Third-Party Claim to give notice to the Indemnified Party whether it will assume and control the defense, appeal or settlement proceedings thereof with counsel of the Indemnifying Party’s choice; provided, that the Indemnifying Party shall not be entitled to assume and control the defense, appeal or settlement proceedings of any Third-Party Claim that is brought by or involves a Governmental Entity having regulatory authority over the Indemnified Party or a material customer of the Indemnified Party. So long as the Indemnifying Party has assumed the defense, appeal or settlement proceedings of the Third-Party Claim in
accordance herewith, (i) the Indemnified Party may retain separate co-counsel at its sole cost and expense and participate in (but not control) the defense, appeal or settlement proceedings of the Third-Party Claim; provided that if the Indemnifying Party assumes control of such defense and the Indemnified Party has been advised by counsel in writing that the Indemnifying Party and the Indemnified Party have an actual or potential conflict or because the Indemnified Party may have one or more defenses or counterclaims available to it that are inconsistent with or additional to one or more of those that may be available to the Indemnifying Party with respect to such action, suit, proceeding or claim, the reasonable fees and expenses of counsel to the Indemnified Party solely in connection with such action, suit, proceeding or claim shall be considered “Damages” for purposes of this Agreement; provided, however, that in no event shall the Indemnifying Party be responsible for the fees and expenses of more than one counsel per jurisdiction for all Indemnified Parties (it being understood that in the case of claims regarding jurisdictions other than the United States of America, the Indemnified Party shall be permitted to engage both United States counsel and one counsel in each relevant foreign jurisdiction), (ii) the Indemnified Party will not admit any liability or consent to the entry of any judgment or enter into any settlement agreement, compromise or discharge with respect to the Third-Party Claim without the prior written consent of the Indemnifying Party and (iii) the Indemnifying Party will not admit to any wrongdoing by the Indemnified Party. The Indemnifying Party shall have the right to settle any Third-Party Claim for which it obtains a full release of the Indemnified Party with respect to such Third-Party Claim or to which settlement the Indemnified Party consents in writing. The parties will act in good faith in responding to, defending against, settling or otherwise dealing with Third-Party Claims. The parties will also cooperate in any such defense, appeal or settlement proceedings, and give each other reasonable access to all information relevant thereto. Whether or not the Indemnifying Party has assumed the defense, appeal or settlement proceedings with respect to a Third-Party Claim, such Indemnifying Party will not be obligated to indemnify the Indemnified Party hereunder for any settlement entered into or any judgment that was consented to without the Indemnifying Party’s prior written consent.

(b) Other Claims. An Indemnified Party shall give the Indemnifying Party written notice of any matter that an Indemnified Party has determined has given or could give rise to a right of indemnification under this Agreement, within thirty (30) days of such determination, stating the amount of the Damages, if known, and the method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises. Failure of the Indemnified Party to give such notice on a timely basis will not relieve the Indemnifying Party from its indemnification obligations hereunder, except to the extent that the Indemnifying Party is actually and materially prejudiced thereby.

Section 11.04. Limitations on Indemnification. Notwithstanding anything to the contrary contained in this Agreement, (a) no party shall be deemed to have suffered Damages or be entitled to indemnification under this Agreement with respect to any item to the extent such party was actually compensated therefor by an increase in the consideration otherwise payable or a reduction in the consideration otherwise payable pursuant to this Agreement (including adjustments in the form of Buyer Leakage Adjustment Shares or Seller Leakage Adjustment Shares); (b) no party shall have any liability for otherwise indemnifiable Damages under this Agreement that is contingent unless and until such contingent Damages becomes actual Damages of the Indemnified Party and are due and payable, so long as the claim for such Damages was
timely submitted pursuant to the provisions of this Article 11; and (c) no party shall be entitled to
duplicative indemnification with respect to the same Damages under any provision of this
Agreement, including under this Article 11.

Section 11.05. Calculation of Indemnity Payments.

(a) The amount of any Damages for which indemnification is provided under this
Article 11 shall be net of (i) any amounts actually recovered by the Indemnified Party (including
under insurance policies) with respect to such Damages, less the out-of-pocket expenses and
Taxes incurred in connection with such recoveries and (ii) any Tax benefit actually realized by
the Indemnified Party (or any of its affiliates) with respect to such Damages.

(b) If an Indemnified Party recovers an amount from a third party in respect of
Damages that are the subject of indemnification hereunder after all or a portion of such Damages
have been paid by an Indemnifying Party pursuant to this Article 11, then the Indemnified Party
shall promptly remit to the Indemnifying Party the excess (if any) of (A) (i) the amount paid by
the Indemnifying Party in respect of such Damages plus (ii) the amount received by the
Indemnified Party in respect thereof, less the out-of-pocket expenses and Taxes incurred in
connection with, and the cost of any premium increases as a result of, such recoveries, over (B)
the full amount of the Damages.

(c) Each party shall take commercially reasonable steps to mitigate any Damag-
es indemnifiable hereunder upon and after becoming aware of any event that could reasonably be
expected to give rise to any Damages.

(d) No party shall be entitled to any payment, adjustment or indemnification more
than once with respect to the same Damages.

(e) In the event that Buyer suffers Damages that are indemnifiable pursuant to
Section 11.02(a), such Damages shall be satisfied in cash by no later than the date falling nine
(9) months after final resolution of such indemnity claim and shall be satisfied:

(i) first, using any cash that Seller and/or Refinitiv Sellers have available at
such entities (and, for this purpose, Seller and Refinitiv Sellers shall retain any dividend
payments that they receive from Buyer following the receipt of a notification from Buyer
that it intends to bring a claim pursuant to Article 11); provided Seller shall, promptly
following final resolution of the indemnity claim, pay any such available cash to Buyer to
satisfy such Damages; and

(ii) second, with the proceeds of dividend payments Seller and/or Refinitiv
Sellers reasonably expect to receive from Buyer in respect of its or their Consideration
Shares during such nine (9) month period; provided Seller shall, promptly following any
such payments, pay such proceeds to Buyer to satisfy such Damages, to the extent
outstanding.

To the extent such Damages will not be satisfied using available cash and any dividend payments
Seller and/or Refinitiv Sellers reasonably expect to receive from Buyer in respect of its or their
Consideration Shares during such nine (9) month period, the Refinitiv Shareholders shall be
permitted to sell or otherwise Dispose (as defined in the Relationship Agreement) of such number of Buyer Shares held by them (including any Buyer Shares held by them as a result of a conversion of Limited-Voting Ordinary Shares) as will enable Seller to satisfy such outstanding cash requirement on an after-tax basis (and such sales or disposals shall not, provided they take place in accordance with the applicable provisions of clause 7 of the Relationship Agreement, be deemed a violation of any provision of the Relationship Agreement). Seller shall have no liability under Section 11.02(a) beyond the after-tax proceeds realised from the sale by the Refinitiv Shareholders of all of the Consideration Shares and the after-tax proceeds of any dividend payments received from Buyer by Seller and/or Refinitiv Sellers and used by Seller pursuant to paragraphs (i) and/or (ii) above to satisfy any claim for Damages.

Section 11.06. Exclusive Remedy. From and after the Closing, the parties’ sole and exclusive remedy with respect to any and all claims relating to this Agreement (other than with respect to matters for which the remedy of specific performance, injunctive relief or other nonmonetary equitable remedies are available, or in the case of Fraud) or the Proposed Transaction shall be pursuant to the indemnification provisions set forth in this Article 11. In furtherance of the foregoing, each of the parties hereby waives, from and after the Closing, any and all rights, claims and causes of action arising out of this Agreement, whether based on warranty, in contract, in tort (including negligence or strict liability) or otherwise, that Buyer or any other Buyer Indemnified Party, may have against Seller or any of its affiliates, on the one hand, or Seller or any Seller Indemnified Party may have against Buyer or any of its affiliates, arising under or based upon any Law or Ancillary Agreement, except pursuant to the indemnification provisions set forth in this Article 11. Notwithstanding anything to the contrary contained in this Agreement, no breach of any representation, warranty, covenant or agreement contained herein shall give rise to any right on the part of any party after the consummation of the transactions contemplated by this Agreement to rescind this Agreement or any of the transactions contemplated hereby. Notwithstanding anything to the contrary contained in this Agreement, including the provisions of this Article 11, nothing in this Agreement shall limit the remedies for or the liability of any person or its affiliates for Fraud by such Person with respect to this Agreement and each party to this Agreement shall be liable and responsible for the Fraud of any of its Subsidiaries with respect to this Agreement.

Section 11.07. Withholding and Tax on Payments. All sums payable under this Article 11 in respect of claims paid to Buyer, shall be paid free and clear of all deductions or withholdings whatsoever, save only as provided in this Agreement or as required by Law. If any deduction or withholding is required by Law from any payment by an Indemnifying Party in respect of claims paid to Buyer, such Indemnifying Party shall pay such additional amount as will, after such deduction or withholding has been made, leave the Indemnified Party with the full amount which would have been received by it had no such deduction or withholding been required to be made. If any sum paid under this Article 11 in respect of claims paid to Buyer is required by Law to be brought into charge to Tax, then the Indemnifying Party shall pay to the Indemnified Party such additional amount as shall be required to ensure that the total amount paid, less the Tax chargeable on such amount, is equal to the amount that would otherwise be payable.

Section 11.08. Tax Treatment. For all Tax purposes, the parties agree to treat (and shall cause their respective affiliates to treat) and payments made pursuant to this Article 11, and
between them pursuant to the Tax Indemnity Agreement as an adjustment to the purchase price, and the parties shall not (and shall cause their respective affiliates not to) take any position on any Tax Return or in any proceeding with a Taxing Authority inconsistent with such treatment unless otherwise required by Law.

ARTICLE 12
TERMINATION

Section 12.01. Grounds for Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written agreement of Seller and Buyer;

(b) by Seller or Buyer if the Closing shall not have been consummated on or before May 31, 2021 (the “Termination Date”); provided that, notwithstanding the foregoing, no party hereto may terminate this Agreement pursuant to this Section 12.01(b) if it is in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement on the Termination Date and such breach is the principal cause of, or directly results in, the failure of the Closing to occur by the Termination Date; provided, that any breach by Buyer of Section 5.08(c) shall not be taken into consideration in determining whether Buyer is entitled to exercise its termination rights under this Section 12.01(b);

(c) by Seller or Buyer (i) if there shall be any Law (other than a directive) of a Governmental Entity having competent jurisdiction that makes consummation of the transactions contemplated hereby illegal or otherwise prohibited, (ii) if consummation of the transactions contemplated hereby would violate any nonappealable final Judgment or directive of any Governmental Entity having competent jurisdiction or (iii) if a CFIUS Turndown or other failure to obtain any approval or consent under any applicable Foreign Investment Law has occurred; provided, that the right to terminate this Agreement under this Section 12.01(c) shall only be available to Seller if it has fulfilled its obligations under Section 5.08 and to Buyer if it has fulfilled its obligations under Section 5.08, other than Buyer’s obligations set forth in Section 5.08(c);

(d) by Seller, if there is a breach by Buyer of any representation or warranty or any covenant or agreement contained in this Agreement that would, if occurring or continuing on the Closing Date, result in a failure of a condition set forth in Section 10.01 or Section 10.03 and which breach cannot be cured or (if curable) has not been cured (to the extent necessary to avoid a failure of such a condition) on or prior to the first Business Day prior to the Termination Date; provided, however, that Seller shall not have the right to terminate this Agreement pursuant to this Section 12.01(d) if Seller shall have breached or failed to perform any covenant, obligation or other agreement contained in this Agreement where such breach or failure to perform was the cause of the failure of a condition set forth in Article 10;

(e) by Buyer, if there is a breach by Seller of any representation or warranty or any covenant or agreement contained in this Agreement that would, if occurring or continuing on the Closing Date, result in a failure of a condition set forth in Section 10.01 or Section 10.02 and which breach cannot be cured or (if curable) has not been cured (to the extent necessary to avoid
a failure of such a condition) on or prior to the first Business Day prior to the Termination Date; provided, however, that Buyer shall not have the right to terminate this Agreement pursuant to this Section 12.01(e) if Buyer shall have breached or failed to perform any covenant, obligation or other agreement contained in this Agreement where such breach or failure to perform was the cause of the failure of a condition set forth in Article 10;

(f) by Seller or Buyer, if the Buyer Board shall have effected and not withdrawn, or announced its intention to effect, a Recommendation Withdrawal prior to the Buyer EGM (or any postponement or adjournment thereof);

(g) by Seller or Buyer, if the Buyer EGM Resolutions are not duly passed; or

(h) by Seller, if (a) Buyer shall have adjourned the Buyer EGM beyond December 31, 2019 (except where such adjournment (A) would be permitted or required by any of article 64 or article 75(a), (b) or (c) of the articles of association of Buyer in force at the date of this Agreement or (B) is to take account of the periods of Prior Notice and good faith negotiations contemplated in Section 5.03(g) (each, a “Permitted Adjournment Event”) or (b) Buyer shall have adjourned the Buyer EGM beyond December 31, 2019 for a Permitted Adjournment Event and the Buyer EGM is not held within ten (10) Business Days of such adjournment.

(i) by Seller, if Seller delivers at any time after June 1, 2020 to Buyer a notice stating that it believes that Buyer has breached its obligations under Section 5.08 with respect to Antitrust Laws and describing in reasonable detail the reason for its belief (a “Pre-Termination Notice”), and either (i) by the 90th day (except as set forth in clause (ii) below) after the date of delivery of the Pre-Termination Notice, (A) (1) the European Commission has not issued a decision pursuant to Article 8(1) or 8(2) of the EU Merger Regulation approving the Proposed Transaction, (2) Buyer has not agreed with Seller to implement any Remedies included in such decision or (3) Buyer is not continuing to use reasonable best efforts to implement such Remedies, or (B) (w) the waiting period under the HSR Act shall not have expired or been terminated, (x) there is continuing to be in effect an agreement between Buyer, Seller or the parties with the Federal Trade Commission or the Department of Justice preventing the parties from consummating the Proposed Transaction, (y) the United States Government shall have sought to enjoin the Proposed Transaction, or (z) the parties shall not have executed an Agreement Containing Consent Order with the Federal Trade Commission, or the parties shall not have executed a Stipulation and Order with the Department of Justice in support of a proposed Final Judgment prepared pursuant to the Antitrust Procedures and Penalties Act, or, to the extent applicable, (ii) by the 210th day after the date of delivery of the Pre-Termination Notice, (1) the UK Competition and Markets Authority shall not have published a report approving the Proposed Transaction unconditionally pursuant to Section 38 of the Enterprise Act 2002, or (2) Buyer shall not have implemented Remedies to the extent necessary to allow the Proposed Transaction to be consummated immediately, Seller may terminate this Agreement by delivery of written notice of termination to Buyer (a “Termination Notice”), provided that Seller shall not have the right to terminate pursuant to this Section 12.01(i) if Seller has not complied in all material respects with its covenants and agreements with respect to Antitrust Laws under Section 5.08 and such breach is the principal cause of any of the matters in clause (i) or (ii) above.
The termination of this Agreement shall be effectuated, without further action by any party, by the delivery by the party or parties terminating this Agreement to each other party of a written notice of such termination. If this Agreement so terminates, it shall become null and void and have no further force or effect, except as provided in Section 12.02.

Section 12.02. Effect of Termination. If this Agreement is terminated in accordance with Section 12.01 and the Proposed Transaction is not consummated, this Agreement shall become void and of no further force and effect, without any liability of any nature whatsoever on the part of any party hereto (nor any of their respective affiliates or any of their respective affiliates’ respective agents, advisors, officers, directors, employees, partners, members, equity holders or representatives) in connection with this Agreement, any Ancillary Agreement or the Proposed Transaction, except for the provisions of Section 5.02, Section 5.10, this Section 12.02, Section 12.03 and Article 13, and except for the Confidentiality Agreement, each of which will remain in effect in accordance with its terms. Notwithstanding the foregoing, but subject to Section 12.03(d), nothing in this Section 12.02 shall relieve any party to this Agreement of liability for any damages for any Willful Breach of any covenant hereunder prior to the termination of this Agreement.

Section 12.03. Buyer Termination Fee.

(a) In the event that (i) Seller or Buyer terminates this Agreement pursuant to Section 12.01(f) or (ii) Seller terminates this Agreement pursuant to Section 12.01(h), Buyer will, no later than five (5) Business Days after the date of termination of this Agreement, pay by wire transfer to Seller (or its designee) an amount in cash equal to £198,300,000 (such amount being inclusive of any applicable VAT) (the "Termination Fee"). In the event that Seller or Buyer terminates this Agreement pursuant to Section 12.01(g), Buyer will, no later than five (5) Business Days after the date of termination of this Agreement, pay by wire transfer to Seller (or its designee) an amount in cash equal to £25,000,000 (such amount being inclusive of any applicable VAT) (the "No Vote Termination Fee").

(b) In the event that this Agreement is terminated (i) by either Seller or Buyer pursuant to Section 12.01(b) and the condition to Closing in Section 10.01(a)(i) or Section 10.01(a)(ii) is not satisfied, or there is a Judgment or directive enjoining or prohibiting the consummation of the Proposed Transaction in an action by or with a Governmental Entity with the authority to enforce any Antitrust Law, or an agreement not to consummate the Proposed Transaction with a Governmental Entity with the authority to enforce any Antitrust Law, or an agreement not to consummate the Proposed Transaction with a Governmental Entity with the authority to enforce any Antitrust Law, (ii) by either Seller or Buyer pursuant to Section 12.01(c)(i) or Section 12.01(c)(ii) and such Law or Judgment giving rise to such termination is in connection with any Antitrust Law; or (iii) by Seller pursuant to Section 12.01(i), Buyer will, not later than five (5) Business Days after the date of termination of this Agreement, pay by wire transfer to Seller (or its designee) an amount in cash equal to £198,300,000 (such amount being inclusive of any applicable VAT) (the "Antitrust Termination Fee"). Notwithstanding any provision in this Section 12.03(b) to the contrary, no Antitrust Termination Fee shall be payable by Buyer if either (x) Seller has not complied in all material respects with its covenants and agreements with respect to Antitrust Laws under Section 5.08, and such breach is the principal cause of any of the matters in clauses (i), (ii) or (iii) above, or (y) any affiliate of Seller or any portfolio company of such Seller affiliate acquires or owns another Person or business and such transaction or ownership is the
principal cause of any of the matters in clauses (i), (ii) or (iii) above. Notwithstanding anything to the contrary in this Agreement, in no event shall Buyer be obligated to pay more than one of the Termination Fee, the No Vote Termination Fee and the Antitrust Termination Fee.

(c) If Buyer fails to promptly pay any amount due pursuant to Section 12.03(a) or Section 12.03(b) and, in order to obtain such payment, Seller commences a Proceeding that results in a final, non-appealable judgment or award against Buyer for such amount (or any portion thereof), Buyer will pay to Seller its reasonable and documented out-of-pocket costs and expenses (including reasonable attorneys’ fees and expenses) in connection with such Proceeding (and any Proceeding to collect such costs and expenses), together with interest on such amount or portion thereof at the Applicable Rate with respect to such payment.

(d) Notwithstanding anything to the contrary set forth in this Agreement, if Seller or Buyer elects to terminate this Agreement in the circumstances when the Termination Fee, the No Vote Termination Fee or the Antitrust Termination Fee is payable, the receipt of the Termination Fee, the No Vote Termination Fee or the Antitrust Termination Fee (as applicable) and any amounts contemplated by Section 12.03(c) shall constitute the sole and exclusive remedy of Seller, or any of its respective affiliates, any former, current or future directors, officers, employees, agents, stockholders, equity holders, controlling persons, or assignees or any former, current or future directors, officers, employees, agents, stockholders, equity holders, controlling persons, affiliates or assignees of any of the foregoing, or any heir, executor, administrator, successor or assign of any of the foregoing, against Buyer or any of its affiliates for all losses and damages suffered as a result of the failure of the Proposed Transaction to be consummated, the termination of this Agreement or for any breach or the failure to perform hereunder or otherwise, and none of Buyer or any of its affiliates shall have any further liability or obligation whatsoever relating to or arising out of this Agreement or the Proposed Transaction or in respect of any other document or in respect of oral representations made or alleged to be made in connection herewith or therewith, whether in equity or at law, in contract, in tort or otherwise. Seller agrees that, notwithstanding anything to the contrary in this Agreement, in the event of any breach (including any Willful Breach) by Buyer of any of its obligations under Section 5.08(c) or a failure by Buyer to use reasonable best efforts to implement remedies as provided in Section 12.01(i), whether before or after termination of this Agreement or the Closing Date, Seller’s only remedy with respect to any such breach (including any Willful Breach) shall be to seek, and to receive, payment of the Antitrust Termination Fee in accordance with the terms of this Agreement.

(e) Each of the parties hereto further acknowledges that the payment of the Termination Fee, the No Vote Termination Fee or the Antitrust Termination Fee (as applicable) by Buyer is a not a penalty, but is liquidated damages in a reasonable amount that will compensate Seller in the circumstances in which the Termination Fee, the No Vote Termination Fee or the Antitrust Termination Fee (as applicable) is paid for the efforts and resources expended and the opportunities foregone while negotiating this Agreement and reliance on this Agreement and on the expectation of the consummation of the Proposed Transaction, which amount would otherwise be impossible to calculate with precision and is not the consideration for any supply by Seller to Buyer for VAT purposes.
(f) The parties shall use their reasonable best efforts to secure that any Termination Fee, any No Vote Termination Fee or Antitrust Termination Fee payable under this Section 12.03 (for the purposes of this Section 12.03(f), a “Relevant Sum”) will not be subject to any VAT. However, if it is finally determined by a Taxing Authority or tribunal or court of competent jurisdiction after all reasonable avenues of appeal have been exhausted that a Relevant Sum constitutes all or part of the consideration for a supply made for VAT purposes then if that VAT is held to be chargeable by the payor of the Relevant Sum (or the representative member of the VAT group of which the payor is a party) under the reverse charge mechanism, to the extent that any VAT so chargeable is not recoverable by such payor (or the representative member of the VAT group of which the payor is a member) by repayment or credit, the Relevant Sum shall be reduced so that the aggregate of the Relevant Sum and such irrecoverable reverse charge VAT equals the Relevant Sum that would have been paid had no such irrecoverable reverse charge VAT arisen. Such adjusting payment as may be required between the parties to give effect to this Section 12.03(f) shall be made five (5) Business Days after the date on which the final determination has been communicated to Buyer (together with such evidence of it as it is reasonable in the circumstances to provide) or, if later five (5) Business Days before the VAT is required to be accounted for. The payor paying the Relevant Sum shall (or shall procure that the representative member of the VAT group of which such party is a member shall) use its reasonable endeavors to obtain any available repayment or credit in respect of VAT (as referred to in this Section 12.03(f)) and for the purposes of this Section 12.03(f) the extent of such repayment or credit shall be determined by such party, or the relevant representative member of the VAT group, acting reasonably.

Each of the parties hereto irrevocably and unconditionally waives (and agrees not to plead or claim), any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement, whether in law or in equity, whether in contract or in tort or otherwise, in the Delaware Court of Chancery (and if the Delaware Court of Chancery shall be unavailable, in any Delaware State court or the Federal court of the United States of America sitting in the State of Delaware) or that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

Section 13.08. Reserved.

Section 13.09. Counterparts; Effectiveness; Third-Party Beneficiaries. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by all of the other parties hereto. Until and unless each party has received a counterpart hereof signed by the other party hereto, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication). No provision of this Agreement is intended to confer any rights, benefits, remedies, obligations, or liabilities hereunder upon any Person other than the parties hereto and their respective successors and assigns; provided that BCP Aggregator is a third-party beneficiary of the provisions of Section 2.06 and following the Closing shall be entitled to enforce the provisions of Section 2.06 directly against Buyer and (ii) each Equity Investor shall be a third-party beneficiary of the provisions of Section 5.16, 13.06, 13.07 and 13.13 and Article 11.
Section 13.10. Entire Agreement. This Agreement and the Ancillary Agreements constitute the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.

Section 13.11. Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Entity to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 13.12. Specific Performance. The parties hereto agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that (a) the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any court referred to in Section 13.07 without proof of damages or otherwise, in addition to any other remedy to which they are entitled at law or in equity and (b) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, none of the parties would have entered into this Agreement. The parties hereto agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at Law. The parties hereto acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 13.12 shall not be required to provide any bond or other security in connection with any such order or injunction. Seller waives, and agrees not to seek, any recourse pursuant to this Section 13.12 with respect to any breach by Buyer of any of its obligations set forth in Section 5.08(c).

Section 13.13. No Recourse. Any claim or cause of action based upon, arising out of, or related to this Agreement or the Ancillary Agreements may only be brought against the entities that are expressly named as parties hereto or thereto and then only with respect to the specific obligations of such party and subject to the terms, conditions and limitations set forth herein or therein. Except to the extent a named party to this Agreement or any Ancillary Agreement, no former, current or future direct or indirect general or limited partners, stockholders, equityholders, managers, members, directors, officers, affiliates, employees, agents, attorneys or other representatives, successors, beneficiaries, heirs and assigns of Seller or Buyer, or any former, current or future direct or indirect general or limited partners, stockholders, equityholders, managers, members, directors, officers, affiliates, employees, agents, attorneys or other representatives, successors, beneficiaries, heirs and assigns of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of Seller or Buyer under this Agreement (whether for indemnification or otherwise) of
or for any claim based on, arising out of, or related to this Agreement or the transactions contemplated hereby.
