London Stock Exchange Conformance Testing Tool - IP Address Change Notification

The purpose of this Service Announcement is to inform customers of an upcoming change to the IP address used to access the Conformance Testing Tool, effective **Monday 24 August 2026**.

From 24 August 2026, customers performing conformance testing for Millennium Trading (FIX Trading, FIX Post Trade and FIX Drop Copy) or TRADEcho services (SI Quotes, APA and SRR) must target the new Conformance Testing Tool IP address 194.169.6.121. There is no change to the existing port configuration. The Connectivity Guide (MIT 1001), available within the London Stock Exchange technical library; [Technical Library Securities | London Stock Exchange](#), has been updated to reflect this change.

Customers must ensure that the new IP address is configured within their network environment prior to performing any conformance testing.
