1.0 Introduction

1.1 General Terms

The word "Business", as used in this Schedule, shall mean all trades executed on the relevant TGHL trading platform.

The word "Agreement", as used herein, shall refer to the relevant agreement in force between Turquoise Global Holdings Limited (TGHL) and the Customer.

Capitalised terms not defined herein shall have the meaning provided in the relevant Agreement.

1.2 Late Payment Charges

If a Customer fails to pay by the due date indicated here (below) any amounts due under the applicable Agreement, TGHL reserves the right to charge a late payment charge calculated at 0.5% of the total fee outstanding.

1.3 Payment

Customers can choose invoice currency of Euro (EUR), GBP or USD.

All GBP fees will be collected 30 calendar days after the invoice date by Direct Debit.

For EUR payments, TGHL does not currently have a EUR Direct Debit facility, therefore Customers are required to remit payment of the fees by electronic transfer to TGHL's bank account within 30 calendar days of the invoice date.

For USD payments, TGHL does not currently have a USD Direct Debit facility, therefore Customers are required to remit payment of the fees by electronic transfer to TGHL's bank account within 30 calendar days of the invoice date.

Net negative discounts on Trading Fees, if any, will be paid directly to Members bank account by electronic bank transfer within 30 calendar days of the invoice date.

TGHL's bank account details shall be as notified by Turquoise or included on Turquoise's invoices. Failure to remit payment within 30 calendar days of the invoice date will result in late payment charges as described above.

1.4 Applicability of Trading Fees

Fees apply per calendar month and are invoiced at the end of each month. TGHL reserves the right to amend these fees. Trading fees are payable in respect of all executions as occurred and notified to a member.

Passive trading fee applies to the visible portion of orders posted on the Turquoise Lit Order Book that are executed against by an incoming aggressive order. Any non-visible portions of posted orders (e.g., iceberg reserve, LIS hidden) are charged as 'Aggressive'.

Aggressive trading fee applies to the portion of an incoming order to the Turquoise Lit Order Book that executes immediately against posted orders at or better than the then Turquoise Best Bid or Offer.

For further terms and conditions relating to the trading charges, please refer to the Turquoise Rule Book and Membership Agreement.

1.5 Objective Criteria for the Establishment of Fees and Fee Structures

Pursuant to Commission Delegated Regulation (EU) 2017/573 Article 4, Turquoise can confirm that this tariff applies to all Members equally for the same service being offered. Where differences in fee structures do exist, these are based on the following objective criteria:

- Participants objectively qualify for certain services or fee discounts
- Certain thresholds related to value traded are met.

2.0 Trading Fee Schedule
