# UN Global Compact: the Ten Principles 2025

LSEG is a signatory of the UN Global Compact which is a voluntary initiative that mobilises businesses to implement universal sustainability projects. The Ten Principles of the United Nations Global Compact are derived from the Universal Declaration of Human Rights, the International Labour Organization's Declaration on Fundamental

Principles and Rights at Work, the Rio Declaration on Environment and Development, and the United Nations Convention Against Corruption.

The table below shows where further information can be found about LSEG's approach in relation to each principle.
