The screenshot shows the top navigation bar of the LSEG website. The bar is blue with white text. The main navigation items are "London Stock Exchange", "FX", "Post Trade", and "Risk Intelligence". Below these, there is a secondary navigation bar with "Catalogue", "Guided Learning", "Certification", "Products", and "Learning Support", each followed by a dropdown arrow. A search icon is on the right. A blue box with white text "2. Click **Certification** from the menu bar." has an arrow pointing to the "Certification" dropdown. Another blue box with white text "3. Select **LSEG Financial Essentials** from the dropdown." has an arrow pointing to the "LSEG Finance Essentials" option in the "Certification" dropdown menu. The dropdown menu is open, showing "Certification Overview", "LSEG Finance Essentials", "LSEG Workspace", "World-Check One", and "Datastream".

2. Click **Certification** from the menu bar.

3. Select **LSEG Financial Essentials** from the dropdown.

The screenshot shows the LSEG Finance Essentials page. At the top, a blue navigation bar contains links for LSEG, Data & Analytics, FTSE Russell, London Stock Exchange, FX, Post Trade, and Risk Intelligence. Below this, a white navigation bar features the LSEG logo, the text 'LEARNING CENTRE', and a menu with 'Catalogue', 'Guided Learning', 'Certification', 'Products', and 'Learning Support'. A breadcrumb trail reads 'Home / Certification / LSEG Finance Essentials'. The main content area has a black background with the title 'LSEG Finance Essentials' and a description: 'Master Finance and Capital Markets essential knowledge with LSEG Workspace. Covering everything from economics to currencies to the stock market, this accessible and self-paced eLearning program has been designed by finance professionals to help you master the core concepts while using LSEG Workspace.' An orange 'Access certification' button is present. Below the main content is a white navigation bar with tabs for 'Overview', 'Course Outline', 'Certificate', and 'For Professors'. The 'For Professors' tab is highlighted with a blue box and an arrow pointing to it from a blue callout box. Below the tabs, the 'Overview' section is visible, describing the program's purpose. To the right, under 'ABOUT CERTIFICATION', there is a link for 'LSEG Finance Essentials Factsheet' (47.9KB PDF).

Overview | Course Outline | Certificate | **For Professors**

**Overview**

Understanding the Capital Markets requires a synthesis of finance theory, economic insight and market dynamics. The LSEG Finance Essentials program offers students and market practitioners the opportunity to build a clear understanding of the markets and finance. Designed by industry-leading instructors at Training the Street and finance

**ABOUT CERTIFICATION**

[LSEG Finance Essentials Factsheet](#)  
47.9KB • PDF

4. On the LSEG Finance Essentials page, click on **For Professors** on the navigation bar.

5. Click on **Professor Reports**

### For Professors

Provide your students with the essentials of Capital Markets knowledge to help them make the most of your classroom experience. The LSEG Finance Essentials program provides a thorough introduction to the key asset classes and the drivers of valuation for each. Self-paced modules enriched with real world examples and analysis using LSEG Workspace, are divided into easy to understand chapters that cover the vital essentials in the capital markets. A challenging final assessment ensures that students have completed the program. The certification can be integrated into course curriculum with Professor reports available to monitor progress.
