Factsheet

LCH EquityClear pan-European clearing for equities

EquityClear is LCH Ltd's pan-European clearing service for equities and exchange-traded products (ETPs). Collaboration with our market partners enables us to develop innovative solutions that aim to enhance customers' risk management capabilities, and mitigate systemic risk, while continuing to deliver operational and settlement efficiencies.

As a London Stock Exchange Group (LSEG) post trade business, LCH EquityClear benefits from material investment in its robust technology platform and highly skilled team, allowing the service to scale rapidly and efficiently. The service has fully embraced LSEG's commitment to open opportunities through essential partnerships and provides clearing members and their clients with seamless connectivity to a wide choice of trading venues.

LCH Ltd is registered in the UK.

At a glance*

LCH EquityClear has the capacity to clear large trading volumes, driven by the increasing activity of diverse market participants, who achieve significant reductions in settlement costs through cross-trade venue settlement netting.

30 Clearing members	19 Central securities depositories (CSDs)	0.9bn Trade sides cleared in H1 2026
>120 Non-clearing participants	>35 Individual market segments	6.8m Average daily volume (ADV) of trade sides cleared in H1 2026

*Includes volumes cleared via interoperable arrangements with co-CCPs.

Key benefits

LCH EquityClear has been tried and tested during periods of extreme volatility and stress. Thanks to our rigorous risk management framework and resilient technology, our members and their clients continue to benefit from:

Proven default management experience spanning over 20 years

Efficient risk management using an expected shortfall model

Extensive settlement liquidity to support large-scale clearing

Investment in technology, such as the award-winning MCCP clearing platform, for scale and resilience
