

# Risk Services Suite

The Risk Services Suite is a collection of essential products integrated to assist buy-side firms comply with Uncleared Margin Rules (UMR).

Acadia works with nearly all firms that are in scope for UMR. We have developed a suite of integrated services that assist firms achieve their compliance requirements in a cost effective and highly efficient manner. Our services have been adopted by the majority of the community and have fast become the industry standard for monitoring, managing and exchanging Initial Margin.

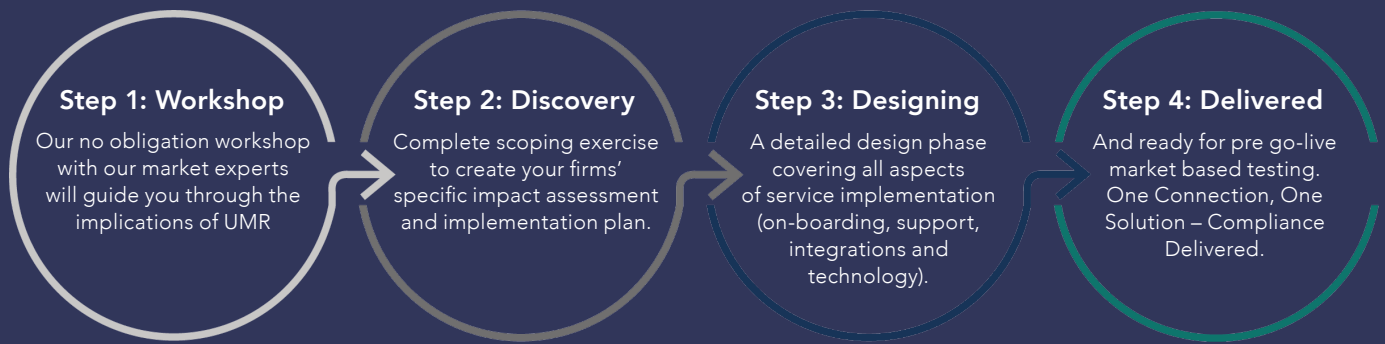

We've simplified the task with a standardized approach; all the processing is handled by us – delivering services in:

- A single contract
- A cost-effective set price - enabling you to benefit from economies of scale
- Connectivity with all Phase 1-6 firms
- And access to the entire Acadia community

We are the leading provider of margin and collateral automation applications and are responsible for all in-scope firms' IM reconciliation. Join us, and be confident and assured that Acadia can bring your firm into IM compliance.

To find out more about the combined products in the Risk Services Suite, please visit the individual product pages:

- [IM Risk Generator](#)
- [IM Exposure Manager](#)
- [Dynamic Margin Monitoring](#)
- [IM Threshold Monitor](#)
- [Margin Manager](#)
