

## Centralized management service instructions: fine tuning

The centralized management service instructions are amended in relation to the admission procedures for financial instruments managed through liaison with other central depositories.

The amendments will enter into force on **16 dicembre 2019**.

### Instructions

#### 4.1.3 Application for admission

The application for admission must be submitted at least two working days before the start date of operation.

Applications received after the deadline specified above, will be processed consistent with the operational needs of Monte Titoli. In this case shall apply the provisions of paragraph 2.5 for the handling of urgent requests. Urgent requests must be sent to the [ammissione.titoli@lseg.com](mailto:ammissione.titoli@lseg.com) within 4:00 hours pm. Applications received after this deadline shall be deemed received the following day.

Participants must submit the appropriate application form, available on the website of MT, via MT-X using the "General Instructions intermediary".

~~Issuers not participating in the system, must send the request via e-mail to [ammissione@lseg.com](mailto:ammissione@lseg.com), attaching identification documents of title.~~

**Issuing companies participating in the centralized management service may apply for admission of instruments issued by other central depositories. To this end, they must send the application for admission by e-mail to [ammissione@lseg.com](mailto:ammissione@lseg.com), attaching the security identification documents. Issuers of covered warrants and certificates admitted to trading on regulated markets or MTFs may request Monte Titoli to acquire the information necessary for the census of financial instruments through the electronic channels made available by the market management companies.**

Monte Titoli shall confirm to the applicant for admission or refusal to report, with proper motivation.
