DVP ISSUANCE

Publication of the new version 2.1 of the Operating Model

For the attention of: **All Participants**

Re: **Update of the Operating Model**

Dear Client,

We are pleased to announce that Monte Titoli has published the new version of the DVP Issuance Operating Model for the 2.0 release, for this purpose renamed 2.1.

Some of the wording of the document has been reformulated to clarify a number of marginal issues raised by participants.

The manual is posted in the “Documents > Operational Procedures > DVP Issuance” section of the MT-X platform.
