

# Monte Titoli welcomes UniCredit's \$3 billion bond

---

Monte Titoli, the authorised CSD for centralised administration, settlement and issuer services in the Italian market, today announced that it has become the depositary for UniCredit's \$3 billion bond. The issuance is a five-year single tranche Yankee bond.

Monte Titoli's innovative service allows issuers such as UniCredit, to market bonds to institutional investors in the USA, Europe and Asia, in compliance with the 144A and REG S regulations which govern the offering of debt securities.

**Mauro Dognini, CEO, Monte Titoli:** "UniCredit has been pioneer in the Yankee bond issuance market, having already launched a successful issuance in 2017. We are delighted to welcome this latest bond to Monte Titoli."

This is the latest Yankee bond issuance that Monte Titoli has supported, with the CSD having welcomed Yankee bonds from both WINDTRE and ENI in 2017 and 2018. The total value of Yankee bonds managed by Monte Titoli since 2010, now stands at \$26 billion, reinforcing Monte Titoli's leading position in supporting bond issuances in Italy.
