Re: T2S release 1.3 – Publication of Standards for Users

Dear Client,

Following MN_28/2017 of 28 March 2017, Monte Titoli is pleased to announce that the Standards for Users, updated following the changes introduced by the T2S Release 1.3, is now available on the MT-X platform.

In particular, as provided in CR T2S-0576-SYS, the identifier fields for T2S cannot:

- begin or end with blank " "
- begin or end with a slash "/"
- contain two consecutive slashes "//"

The modifications made to data schemes in processing are minor and are highlighted using track changes. Updated documents are published in the directory of the MT-X platform:

Documentation > Technical documentation > User data schemes - In processing

Document
X-TRM user data schemes method MT-A2A ver 0.10.2 T2S
X-TRM Standards for Users method RNI ver 0.13.2 T2S
