BCS GUI/API Enhancements – Customer Dress Rehearsal Guide

1.0 Introduction

The purpose of this Technical Notice is to advise customers of the activities that will take place during the Customer Dress Rehearsal (CDR) for the new BCS GUI/API which is scheduled for **Saturday 1 October 2016**.

As a reminder, production go-live is scheduled for **Monday 17 October 2016**.

2.0 Dress Rehearsal Schedule

The CDR will follow the schedule below. Please note that times are specified as London time:

09:30 – Connectivity and start of customer testing window

12:00 – End of customer testing window

3.0 Registration

Customers who wish to attend the CDR are required to register their participation in the Customer Dress Rehearsal by contacting their Technical Account Manager or the Technical Account Management team on +44 (0) 20 7797 3939 or londontam@lseg.com before the close of business on **Thursday 29 September 2016**.

4.0 Additional Information.

- Customers must be using the new version of the BCS GUI (Ver. 6.0.3) which is available from the London Stock Exchange [website](#)
- A newly updated version of the LSEDM102 – Connectivity Guide is also available from the London Stock Exchange [website](#). This has been updated to reflect the new BCS Production IP addresses and port details

London Stock Exchange Derivatives - Equity Derivatives

- During the customer test window, the replay of the previous day production data will be executed
- The LSEDM production SOLA environment will be available during the testing window so order entry will be permitted
- Customers are required to confirm the success or highlight any issues of their testing by sending a confirmation email to londontam@lseg.com
- At the end of the CDR customers should ensure that all of their systems are rolled back and prepared as appropriate for Monday Live Service. Any test data disseminated during the CDR should be removed
- Customers will be informed of the day's progress, via the weekend activity monitor, which can be accessed at the link below:
