1. Documentation

1.1 This Guide

The purpose of this document is to provide an overview of external data sets redistributed by the Group Ticker Plant service lines. In particular, FTSE International indices calculated by FTSE and redistributed by the Group Ticker Plant are detailed within this guide.

1.2 Readership

This document is particularly relevant to technical and business teams within member firms, information vendors and other market participants who are currently developing to or are interested in receiving external data sets as redistributed by the Group Ticker Plant – for Phase 1 of Group Ticker Plant service introduction this includes FTSE International indices.

This Guide should be read in conjunction with GTP002 – Technical Guide.

1.3 Document Series

This guide, **GTP006 – External Sources Guide**, forms part of the documentation library supporting those clients interacting with the Group Ticker Plant. For information, the full series of currently available documentation is outlined below:

- GTP001 – Product Guide;
- GTP002 – Technical Guide;
- GTP003 – Statistics Guide;
- GTP004 – Parameters Guide;
- GTP005 – Testing Services Guide;
- GTP006 – External Sources Guide (this document).

Further documentation to support displaying our data will be released in due course.

The full library of Group Ticker Plant documentation can be found at:

2. FTSE International Indices

In a similar approach to that of FIX-FAST and MDF/DDM-Plus, the Group Ticker Plant will redistribute indices as calculated by FTSE. Index redistribution will be available during normal Group Ticker Plant service hours. Further information is contained within section 3.1.5 of GTP001 – Product Guide.

Customers are reminded that they should ensure appropriate licenses are in place with FTSE prior to requesting Production enablement for FTSE indices.
