Successful strategy with differentiated approach

Open Access, customer partnership model, strong set of businesses with good growth opportunities

Group-wide collaboration

Develop product innovation across the Group; data and analytics; new technologies; deepen Group-wide customer focus

Operational efficiency

Invest for growth, focus on efficiency, improve margins, while maintaining operational excellence and resiliency

Shareholder value

Focus on delivering performance, while investing for long-term value

Deliver next-stage benefits of enlarged Group

Enhance customer partnership approach

further customer collaboration with buy-side and sell-side to drive innovation on new services and products

e.g. LCH, Turquoise Plato & CurveGlobal

Develop data & analytics strategy

utilise data and analytics to enable further product innovation across businesses in partnership with customers

e.g. explore ISD analytics for LCH customers

Collaboration, innovation and efficiency

Group model and culture to support collaboration across businesses to join up client delivery, foster innovation, drive efficiency and remove duplication

Emerging technologies

for product development and cost saving opportunities

e.g. Nivaura and on-going adoption of Cloud technology

Focus on capital utilisation organic & inorganic investments

within existing framework – to drive further shareholder returns

Bringing together a great set of businesses to deliver wider benefits of global Group

Expenses and Efficiency – looking ahead

Cost efficiencies

- **Focus on control of Operating expenses across Group** – real estate, procurement, sourcing strategy
- **Low margin businesses exited** – LSEDM equity derivatives, Exactpro, MillenniumIT ESP
- **Headcount:** drive integration, remove duplication, invest in low cost centres, reduction of contractors. Continue to invest in growth businesses globally. (c.£30m opex reductions - net 250 people/c.5% of global headcount)

Looking Ahead

- **Depreciation**
 - Expected similar increase in 2019
 - IFRS 16 Leases - 2019 impact adds further c.£26m

Depreciation £m

- **Net interest expense**

Progress on 2019 financial targets

Target

FTSE Russell

Double-digit growth to continue 2017-2019

LCH

OTC revenue growth to continue at double-digit 2017-2019

LCH

Adjusted EBITDA margin growth - approaching 50% by 2019
(2016: 35.6%, 2017: 43.6%)

Progress

2018: up 15%, up 8% on organic and constant currency basis

2019 Q1: up 7%, up 2% constant currency

2018: up 16%, up 17% on organic and constant currency basis

2019 Q1: up 16%, up 14% constant currency

2018: 45.9%

Progress on 2019 financial targets

Target

Operating expenses at 4% p.a.

LSEG

Adjusted EBITDA margin of c.55% by 2019 (2016: 46.5%, 2017: 46.8%)

Update

2018: +6%

- Prioritising continued investment in growth opportunities
- 4% target includes depreciation which is expected to grow further, so not achievable in 2019 if continue to invest
- Excluding depreciation, will achieve target in 2019

2018: 49.9%

- Margin improvement remains a focus; prioritisation of investment means target unlikely to be met in 2019

Key Q1 financial highlights

Good overall Q1 income performance against challenging market backdrop

- Group continues to develop and invest for growth, with the acquisition of minority stake in Euroclear and launch of new services in Post Trade and Information Services
