### MARKET NOTICE 2019/061

#### CurveGlobal Markets Rulebook and Bilaterally Negotiated Trade Guidance update

This Notice informs Member Firms that, in preparation for the Norwegian Products being withdrawn from CurveGlobal Markets on 29 November 2019, the CurveGlobal Markets Rulebook and Bilaterally Negotiated Trade Guidance are being updated with an **effective date of 2 December 2019**.

The changes are summarised as follows:

- Deletions of definitions and clauses related to Equity Derivatives, alongside minor additions to retain the comprehensibility of certain Rules; and
- Minor typographical amendments throughout.

No new requirements have been introduced as a result of these changes. Rulebook sections have been renumbered accordingly.

Marked-up versions of the Rulebook and Bilaterally Negotiated Trade Guidance are attached to this Notice. A clean version of both documents can be found in the CurveGlobal Markets document library at <https://www.lseg.com/derivatives/document-library>.

The existing CurveGlobal Markets Rulebook and Bilaterally Negotiated Trade Guidance will remain in effect until 1 December 2019.
