### MARKET NOTICE 2019/063

#### Invitation to apply for Strategy Designated Liquidity Provider Status in Interest Rate Derivative Products

CurveGlobal Markets invites interested Member firms and prospective Member firms to submit applications to be appointed as a Strategy Designated Liquidity Provider (SDLP) in Interest Rate Derivatives products, subject to regulatory non-objection.

The programme is open to all Members, prospective Members and their clients who do not currently have Tier 1 obligations on the existing CurveGlobal Designated Liquidity Programme (See [Market Notice 2019/045](#)). Competitive tenders should be submitted to the CurveGlobal Markets Product Team ([products@curveglobalmarkets.com](mailto:products@curveglobalmarkets.com)) by no later than 5pm London Time on 20 December 2019.

The SDLP Programme will run from 1 January 2020 to 30 September 2020 and covers the following Interest Rate Derivatives products:

- Three Month Sterling Futures Calendar Spreads
- Three Month Sterling Futures Butterfly Spreads
- CurveGlobal® Three month SONIA Futures Calendar Spreads
- CurveGlobal® Three month SONIA Futures Butterfly Spreads
- The Cross Product Inter-Commodity Spread (CP-ICS) between CurveGlobal® Three month SONIA Futures and the Three month Sterling Futures

If the maximum number of Strategy DLPs is not met by the commencement of the Programme, CurveGlobal Markets will consider applications from interested members throughout 2020.

For further information, please contact the CurveGlobal Markets Products Team on +44 (0) 20 7797 1055 or by email: [products@curveglobalmarkets.com](mailto:products@curveglobalmarkets.com).
