MARKET NOTICE 2014/042

Rule Changes for Norwegian Derivatives

Oslo Børs will from 01 June 2014 implement changes to the Rules for trading in derivative contracts on Oslo Børs (Derivatives Rules) and Rules for trading in derivative contracts on Oslo Connect (Connect Rules).

Based on responses to Consultation on changes to Derivative Rules in regards to erroneous transactions (14 April 2014), Oslo Børs have decided not to include the suggested new section 3.5.1.1 (11) in the Derivatives Rules. With this exception the Derivatives Rules will be changed according to the proposal.

Oslo Børs will implement the following changes to the Derivatives Rules and Connect Rules:

- Derivatives Rules: New section 3.1.6 General conduct and prohibited practices
- Derivatives Rules: Amended section 3.5 Provisions governing erroneous transactions
- Derivatives Rules: Change in Appendix B3 Trading hours and accessibility hours on Oslo Børs (MPS accessibility hours will be 08:00 - 17:00 CET)
- Connect Rules: Change in Appendix A2 Opening hours (Opening hours and MPS accessibility hours will end 17:00 CET).

The Derivatives Rules and Connect Rules will be updated accordingly, and changes will come into effect 01 June 2014.
