

London Stock Exchange Derivatives

MARKET NOTICE 2015-044

REDUCED FEES ON NORWEGIAN SINGLE STOCK DERIVATIVES FROM 1 JULY 2015

London Stock Exchange Derivatives Market (LSEDM) will reduce the fees for Norwegian Single Stock Derivatives Products with effect from 1 July 2015.

The following changes apply to the tariff schedule for stock options and stock futures:

- A per transaction fee-cap is introduced – maximum fee per transaction will be NOK 15,000
- Fees for single stock futures are reduced to 0.04% (from 0.05%)

The revised tariff schedule is attached to this Notice.

The current LSEDM tariff schedule is available [here](#).

Members are encouraged to ensure that clients and all relevant parties within their organisations are aware of this change.
