London Stock Exchange Derivatives

MARKET NOTICE 2015/067

Changes to OBOSX index methodology effective 18 December 2015

London Stock Exchange Derivatives Market (LSEDM) informs Members that the OBOSX index methodology will be amended from Friday 18 December 2015.

The OBOSX capping will be removed, following which OBOSX index constituents will be included with their free float number of shares.

Members are encouraged to ensure that clients and all relevant parties within their organisations are aware of this change.

For further information, please contact Oslo Børs on +47 22 34 17 00.
