## MARKET NOTICE 2015/069

### Technical problems with NOK real time indices and news messages

London Stock Exchange Derivatives Market (LSEDM) informs its Members Oslo Børs are experiencing technical problems with distribution of real time indices and news messages through Millennium. Indices are not updating.

News is being distributed through other channels. Derivatives market makers quotation responsibilities are currently not enforced. We are working on solving the problem and more information will follow.

If you have any questions please call Derivatives Operations on +44 (0) 207 797 3617.
