

London Stock Exchange Derivatives

MARKET NOTICE 2017/017

London Stock Exchange Derivatives Market (LSEDM) Pricing Initiatives for Equity Derivatives

London Stock Exchange Derivatives Market (LSEDM) will introduce the following changes:

- Order book Trade fee, Block trade and Trade reporting fees for all non Market-maker accounts for UK and Turkish derivatives will include a volume discount, effective 3 April 2017.
- Launch of a Request For Proposal for Designated Market Makers on UK and Turkish Derivatives. The programme is open to all Members, prospective Members and their clients, and will run until 31 December 2017. Applications should be submitted to LSE Membership (membership@lseg.com) by no later than 5pm London Time on 24 March 2017. For further information, please refer to the Request For Proposal document and Application form that are available on the [LSEDM Document Library](#).

Member firms that might need to implement new infrastructure to support trading in UK and Turkish derivatives on LSEDM platform are invited to contact LSEDM Sales Team on +44 (0) 20 7382 7650 to discuss potential commercial incentives.

The full revised Tariff Schedule will be effective on 3 April 2017 and can be found on the [LSEDM Document Library](#).

For any questions relating to the above, please contact LSEDM Sales Team on +44 (0) 20 7382 7650.
