

London Stock Exchange Derivatives

MARKET NOTICE 2017/043

Conversion of 4 IOB Derivatives to Order Book Trading

London Stock Exchange Derivatives Market (LSEDM) informs Member Firms that **futures and options** on the following instruments, which have previously been available for Trade Reporting only, will be listed and made available on the Order book **effective 31 July 2017**.

Existing positions in these instruments **will be converted** if they coincide with the parameters of a standard series:

Underlying	LSEDM Ticker	Underlying ISIN
PJSC MAGNIT	MGNT	US55953Q2021
MEGAFON	MFON	US58517T2096
PAO SEVERSTAL	SVST	US8181503025
X5 RETAIL GROUP NV	FIVE	US98387E2054

All derivatives will be subject to the 'Equity Derivatives Contract Specifications' and risk controls in the 'LSEDM – Trading Services Description'. **Block thresholds** will be set to **one lot**. Further information is available on the 'LSEDM – Product List' in the [LSEDM Document Library](#), which will be updated before the changes becomes effective.

Member Firms wishing to receive more information may contact the LSEDM Sales Team on +44 (0) 20 7797 3833.
