

London Stock Exchange Derivatives

MARKET NOTICE 2018/005

Conversion of 4 IOB Derivatives to Order Book Trading

London Stock Exchange Derivatives Market (LSEDM) informs Member Firms that **futures and options** on the following instruments, which have previously been available for Trade Reporting only, will be listed and made available on the Order Book **effective 29 January 2018**.

Existing positions in these instruments **will be converted** if they coincide with the parameters of a standard series:

Underlying	LSEDM Ticker	Underlying ISIN
PJSC TATNEFT	ATAD	US8766292051
MAIL.RU GROUP LTD	MAIL	US5603172082
NOVOLIPETSK STEEL	NLMK	US67011E2046
POLYUS PJSC	PLZL	US73181M1172

All derivatives will be subject to the 'Equity Derivatives Contract Specifications' and risk controls in the 'LSEDM – Trading Services Description'. Further information is available on the 'LSEDM – Product List' in the [LSEDM Document Library](#), which will be updated before the changes become effective.

Member Firms wishing to receive more information may contact the LSEDM Sales Team on +44 (0) 20 7797 3833.
