

London Stock Exchange Derivatives

MARKET NOTICE 2018/026

SOLA 12 go-live on 9 April 2018

London Stock Exchange Derivatives Market (LSEDM) reminds Member Firms that a new version of the Trading System (SOLA 12) will be deployed on 7 April 2018, with the first day of trading on SOLA 12 taking place on 9 April 2018. Version 12 of the SOLA Trading System will support the following functional enhancements:

- The deferred publication of trade details in market data protocols (“Deferred Publication”); and
- a new configuration option for the throttling mechanism.

The following documents, effective on 9 April 2018, have been updated for the SOLA 12 release and are available in the [LSEDM Document Library](#):

- The Trading Services Description;
- Bilaterally Negotiated Trade Guidance; and
- the LSEDM BNT & DP Threshold Parameters.

Member Firms will be required to follow the new procedures on Trade Reporting which have been updated to incorporate the Deferred Publication of Bilaterally Negotiated Trades.

Technical documents, which include the SOLA 12 Release Notes, can be found in the ‘Next Functional Release’ section of the [LSEDM Document Library](#).

Customers wishing to receive more information should contact the LSEDM Sales Team.
