## MARKET NOTICE 2019/025

### London Stock Exchange Derivatives (LSEDM) extends date of withdrawal for Norwegian Derivatives to 29 November 2019

This Notice informs Member Firms that for Norwegian Derivatives, where LSEDM operates the Linked Order Book jointly with Oslo Børs ASA, LSEDM is extending the date for the withdrawal of these contracts from **21 June 2019** to **29 November 2019** (“revised Effective Date”). This follows feedback from Member Firms and will allow more time for Oslo Børs ASA and SIX X-Clear to ensure market readiness.

Following the revised Effective Date, Member Firms will only be able to trade Norwegian Derivatives through Oslo Børs ASA, who will operate the market on a standalone basis.

LSEDM members that wish to continue trading Norwegian Derivatives are advised to contact Oslo Børs on +47 22 34 19 80 or by email [derivatives@oslobors.no](mailto:derivatives@oslobors.no).

Further to Market Notice 2018/077 on 5 December 2018, Member Firms are reminded that the withdrawal date of LSEDM IOB Derivatives remains **21 June 2019**.
