COVID-19 - Monte Titoli confirms full Business Continuity

Attention to: All Participants
Re: MT confirms full Business Continuity

Dear Customer,

In regards to the recent COVID-19 situation in Italy, we wish to confirm that Monte Titoli has robust business continuity arrangements in place to ensure the safe and orderly conduct of its activities, in particular to our Asset Services and Regulation business.

Over the recent weeks, Monte Titoli has tested and implemented its business continuity plan, which includes extensive home working. Monte Titoli will continue to delivery of its normal high standards of service to its customers under this current plan.

Please use the following contact references to reach out to Monte Titoli for any necessity.
