CC&G: introduction of the gross position maintenance for Futures positions in Client account and extension from T+2 to T+5 of the time limit for clearing functions on cleared trades

Dear Clients,

we refer to the Market Notice with the same subject dated 23rd April 2018, to inform you that the implementation of the gross positions maintenance of Futures positions in Client account and the extension from T+2 to T+5 of the time limit for clearing functions, are suspended.

However the external test environment remains available to Members to test the new features.

The participation in the tests is optional and does not require the submission of the participation form. For ICWS test users please contact the service address techsupport-ccg@lseg.com; for the BCS test users please contact the Technical Account Management Team at the email address Clients-Services@lseg.com.
