Turquoise Equities

Spanish Instruments Interoperability Go-live – 8 September 2015

Further to the Market Notice of 7 August 2015, effective Tuesday 8 September 2015, EuroCCP N.V. will interoperate with LCH.Clearnet Ltd for Spanish instruments on Turquoise.

Customers that wish to change their clearing arrangements should contact the CCP, and advise Turquoise Market Operations of the revised clearing arrangement with the agreed effective date.
