

Turquoise Equities

Tick Size Table Update

From 24th June 2014, Turquoise will update the PX tick size table below to keep instruments in line with the primary market. The tick size for the lowest band will be increasing from 0.01 to 0.05.

Table	Minimum Value	Maximum Value	Tick Size
PX	0	200	0.05
PX	200	1000	0.1
PX	1000		1
