Seasonal Menu 2018

Introducing you to the Seasonal menu brochure, delivered for your enjoyment by Vacherin at the London Stock Exchange. Within this brochure you will be able to choose from a range of menus to suit all occasions from a working breakfast to formal dining.

Our aim is to deliver exceptional service and standard to our clients both internal and external. We believe great food comes from great ingredients, so we use fresh, seasonal produce, cook it simply and let the food speak for itself. We then deliver with passion, enthusiasm and flexibility; allowing us to provide the London Stock Exchange with a truly bespoke service.

Should your event require a bespoke menu to suit the profile of your event then please speak to your Event Manager about creating something distinct and the hospitality team will design a unique menu of your choice.

Please note that a 3 business day notice period is required for any special dietary request, and we respectfully ask that you observe the minimum notice period on all deliveries. Some requests, such as halal and kosher, may incur a supplement. Please check with your Event Manager for further details.

Kosher meals can only be prepared in a kitchen certified exclusively for kosher food preparation. All our kosher food is bought by our supplier partner Hermolis. We encourage a 5 business day lead time should you have a kosher meal request for your event.

Cancellations within 3 business days to the event date will incur the full charge.

Prices are per person unless otherwise stated. All prices listed are exclusive of VAT.

Please note; any catering requested prior to 07:00 will incur an additional charge.

We work actively with the Marine Conservation Society to ensure that all of our fish is sustainably sourced; taking into account factors such as the impact of aquaculture, global fish stocks and catch methods. We cut waste right through the supply chain by sourcing cosmetically imperfect fruit and vegetables which would otherwise have been thrown away.
