Seasonal Menu 2017

Introducing you to the Seasonal menu brochure, delivered for your enjoyment by Vacherin at the London Stock Exchange.

We aim to create imaginative tailor-made food and catering solutions for our clients, delivered with exceptional service and standards. We believe great food comes from great ingredients, so we use fresh, seasonal produce, cook it simply and let the food speak for itself. We then deliver with passion, enthusiasm and flexibility; allowing us to provide the London Stock Exchange with a truly bespoke service.

The following menus have been created as a core guideline in the day-to-day hospitality offering at the London Stock Exchange. The hospitality team is however more than happy to design a unique menu of your choice, so feel free to talk to your event manager at the earliest opportunity about creating something distinct.

Please be aware that a 72-hour notice period is required for any special requests, and we respectfully ask that you observe the minimum notice periods on all deliveries. Some requests, such as halal and kosher, may incur a supplement. Please check with your Event Manager for further details.

Cancellations 72 hours within the event date will incur the full charge.

Dishes from the menu may contain traces of nuts.

Whilst every care is taken to ensure our olives do not contain any stones or stone fragments, we cannot guarantee there will be none.

Prices are per person unless otherwise stated. All prices listed are exclusive of VAT.

Please note; any catering requested prior to 07:00 will incur an additional charge.

CUSTOMER INFORMATION NOTICE

ALLERGENS AND SPECIAL DIETARY REQUIREMENTS

We are committed to meeting the needs of customers who have food allergies or special dietary restrictions and recognises that many of our customers may also adhere to a vegetarian or vegan diet.

Please be advised that our menu items may contain allergens or may have come in contact with items containing allergens.

Ingredients may vary due to changes made by suppliers in product formulation, recipe substitutions, portion size and other factors. These changes may be made without our prior knowledge.

If you are allergic to any foods or have any special dietary requirements, please do check with our catering team on site who will be happy to guide you in making a safe food choice.

Fish Consumption Guidance:

Please be aware that certain species of fish like mackerel, tuna, bluefish, mahi-mahi, bonito, sardines and anchovies can carry the risk of elevated levels of histamine. This may cause symptoms akin to an allergic reaction in certain individuals.

Sustainability is part of the fabric at Vacherin and we're committed to serving delicious food, responsibly.

We hold a 3 Star Rating from the Sustainable Restaurant Association, and are recognised widely for our efforts in sustainable and ethical sourcing.

Over 90% of our animal products come from British Red Tractor Assured farms (with the exception of some continental cheeses and charcuterie) and we are committed to 100% British Free Range eggs. We work actively with the Marine Conservation Society to ensure that all of our fish is sustainably sourced, taking into account factors such as the impact of aquaculture, global fish stocks, and catch methods. We cut waste right through the supply chain by sourcing cosmetically imperfect fruit and vegetables which would otherwise have been thrown away.

Our Seasonal Menu for the London Stock Exchange in 2017 celebrates delicious, seasonal ingredients, from a select list of local suppliers who we work closely with to ensure their values align with our own and their produce is the highest quality.
