Dear Client,

I am pleased to inform You that, as provided from the regulations concerning the information technologies (Bank of Italy/Consob Provision, 22th February 2008 “Disciplina dei servizi di gestione accentrata, di liquidazione e garanzia e delle relative società di gestione” and its updates), since last September, the request of centralisation of foreign securities must be carried out through the MT-X platform.

The requests will be considered complete by ticking the option Assignments/General Instructions from Intermediary and choosing “Centralisation of securities – foreign” by fulfilling “Request of centralisation of foreign securities by an Intermediary participating to the Centralised Administration service” and, at the end, by attaching it to the form to be sent through MT-X.

The documentation sent through different modalities is allowed only in contingency case and should be sent to helpdesk.ce&is@montetitoli.it. It will include a contribution fee for the non telematic instructions, as provided from the relative list.

We are at Your disposal for any further information that may be necessary, please contact our Corporate Events (e-mail: helpdesk.ce&is@montetitoli.it)
