Object: X-TRM: feeding in testing environment of MIT platform trades

Dear customer,

following the last march 9 communication with the same object we are glad to inform you that the connection with the new market platform Millenium IT will be available in testing environment in the following waves:

- **April 18-19-20:** X-TRM fed by MIT for all Borsa Italiana markets
- **From April 23 to April 27:** X-TRM fed by MIT for the Trading After Hour (TAH) market and fed by the current market platform TradElect for all remaining Borsa Italiana markets
- **Starting from April 30:** X-TRM fed by MIT for all Borsa Italiana markets

For any clarification please don't hesitate to contact our service operation number by phone 02.33635566 or by email itps@montetitoli.it.

We remind you that our Client Support & Membership Department (phone 02 33635640, email client@montetitoli.it) is available to answer any question concerning the service participation.

Best Regards,

Monte Titoli S.p.A
