Monte Titoli service for the Italian FTT

iFTT: Update on the timeline to send declarations and pay the tax for the first deadline

Dear client,

we are pleased to inform you that for all participants in Monte Titoli service the deadline to send declarations will be extended to 31 October, instead of 16.

The deadline to pay the tax will be extended to 10 November as well.

Monte Titoli will still provide to send declarations and to pay the tax within the 16 November, as originally expected, to the Tax Agency.

Such postponement is aimed to allow clients to finalize their fulfillments and to reserve a consistent test period before going live.

A subsequent announcement will give details on the start of the test session.
