– external tests suspension

Dear Client,

with reference to the Operational Notice ON_58 of 22 October 2019 ([link](#)) we wish to inform you that, following some in-depth checks with T2S regarding the sending of queries for the management and optimization of CAOF, it's considered appropriate to postpone the start of the external tests initially planned for 4th November 2019.

Checks with the platform continue and we will keep you up to date on the progress of the activities and on the new detailed planning.
