Investor update event

London Stock Exchange Group plc will today host a planned investor update event.

The event will provide investors with an overview of the market landscape for Information Services, including FTSE Russell, LCH and Capital Markets. It will show that the Group's global businesses are well positioned in a changing regulatory environment, and will highlight future double-digit growth opportunities and next phase cost efficiencies. Strong revenue growth and continued cost control will deliver further improvement to operating leverage, delivering enhanced operating margins and shareholder value.

The event will be hosted by Xavier Rolet, Chief Executive and David Warren, CFO and feature members of the LSEG Executive Committee and their teams. A copy of the presentation is available on our website: http://www.lseg.com/sites/default/files/content/documents/Regulatory/Investor-relations/2017/June/LSEG_Investor_Relations_Update_Event_12_June_2017.pdf.

Presentations will include the following new information:

FTSE Russell

- Continued double-digit revenue growth - 2017-2019

LCH

- Continued double-digit revenue growth in OTC clearing - 2017-2019
- Accelerating EBITDA margin growth – approaching 50% by 2019 (2016: 35.6%)

LSEG

- Group operating expenses held at c.4% p.a. increase 2017-2019 while the Group continues to develop and deliver revenue growth
- Next phase cost saves of £50m p.a. – by exit 2019
- Group EBITDA margin c.55% by 2019 (2016: 46.5%)
