#### Notes

1. If two services belong to the same Data Group within the same Category, only the higher Licence Charge is applicable e.g. if UK market Data Level 2 and UK market Data Level 1 is required, both services will be supplied but at the charge of the UK market Data Level 2 Data Group, other than in respect of a Per Price Request Licence which shall be separately chargeable even if it belongs to the same Data Group within the same Category as another service.
2. Customers holding a real-time category 1 or 2 licence can additionally redistribute Order Book for Retail Bonds Level 1 and Level 2 data.
3. The Private Investor licence applies to Redistributors that only redistribute Data to Private Investors .
4. For text messaging services, the per price request or pager and GSM phone tariffs will apply.
5. This Licence Charge is not applicable if the Redistributor already holds the following professional category 1 or 2 licences: UK Level 2, UK Level 1, International Level 2 and/or International Level 1.
6. Where a real time licence for the redistribution of a Data Group is held, this licence also covers the redistribution of Delayed Data on one Website for the same level and Data Group. Where Delayed Data is utilised and/or redistributed by the Redistributor and/or by any other entity via more than one Website, they shall pay the licence fee set forth in Schedule B for each Website with regards to such use and/or distribution of Delayed Data. Issuers are also exempt from this charge when only displaying their own share price(s).
7. Where a Delayed Data licence for the redistribution of a Data Group is held, this licence also covers the redistribution of After Midnight Data for the same level and Data Group.
8. Licence Charges apply on a 'per Website' basis. The published pricing relates to averaged sized media portals and Websites, calculated by deploying industry standard metrics. Where a licenced Redistributor disseminates the Last Trade Price service to more than one Website, volume discount fee bandings apply in respect of each Website. For the avoidance of doubt, a single Website may have numerous 'domain suffixes' such as ".co.uk", ".com", ".it", etc. under the terms of this policy.
9. Charges are applicable from 1 December, 2011. Invoicing will operate on a quarterly basis, chargeable in advance.
10. The Enterprise Derived Data Licence Charges apply where: (i) the number of End Customers exceeds 250, or (ii) the Customer is unable to provide satisfactory evidence (as determined by the Exchange) that the number of End Customers falls within one of the other fee bands.
11. Charges are applicable from 1 January, 2016
12. Charges are applicable from 1 January, 2017

#### Licence general information

The charges quoted are in UK sterling, or Euros where denoted. The London Stock Exchange reserves the right to amend any Charges at its sole discretion.

Policy details and definitions in respect of these Charges are available in Schedule A of this Agreement.

The Customer is required to remit to the Exchange Data Charges, Per Price Request Charges, Low Usage Data Charges, Premium Rate Charges, TV Ticker Charges and Live Ticker for Issuers Charges.

Where Data is provided by the Customer to a customer who also wishes to redistribute Data to third parties, the Customer must inform the Exchange of its customer's intention to onward vend the Data. The Customer's customer must also enter into a Licence Agreement with the London Stock Exchange.

For new Redistributors who distribute real time Data to Private Investors, from 1 January 2021 until 31 December 2021, a 50% discount shall apply to the Redistribution licence fees. From 1 January 2021 until 31 December 2021, for existing Redistributors of real time Data who upgrade their licence, and for existing Delayed and After Midnight Data Redistributors who upgrade to real time, a 50% discount shall apply to the fee difference between the current licence fee and the upgraded licence fee. Additional terms apply; please contact the Exchange if you are interested in joining this promotion.

2. Charges are applicable from 1 February, 2013. The DER Redistribution Licence covers Commodities (AGREX and IDEX) Licence.

3. The Enterprise Derived Data Licence Charges apply where: (i) the number of End Customers exceeds 250, or (ii) the Customer is unable to provide satisfactory evidence (as determined by the Exchange) that the number of End Customers falls within one of the other fee bands

4. Licence Charges apply on a 'per Website' basis per Data Group.

5. Charges are applicable from 1 January, 2016.

6. Charges are applicable from 1 January, 2017

### Licence general information

The Charges quoted are in Euros. The Exchange reserves the right to amend any Charges at its sole discretion.

Policy details and definitions in respect of these Charges are available in Schedule A of the Agreement.

If two services belong to the same Data Group within the same Category, only the higher Licence Charge is applicable.

Where real time licence for the redistribution of AFF and/or DER, and/or MOT Data Groups is held, this licence covers also the redistribution in delay on one Website for the same level and Data Group.

Where a Delayed Data licence for the redistribution of AFF and/or DER, and/or MOT Data Groups is held, this licence also covers the redistribution of After Midnight Data for the same level and Data Group.

Licence Charges (6.1, 6.2, 6.3, 6.4, 6.5) are reduced by 50% for the redistribution of Delayed Data (15 minutes delayed) or After Midnight Data. Where delayed Borsa Italiana Data is utilised and/or redistributed via internet Websites ('open' or 'closed' user group), web platforms or similar technology (hereinafter referred to as the "Website"), by the Redistributor and/or by any other entity, they shall pay the licence fee, set forth in Schedule B, for each Website, with regards to such use and/or distribution of delayed Borsa Italiana Data.

For new Redistributors who distribute real time Data to Private Investors, from 1 January 2021 until 31 December 2021, a 50% discount shall apply to the Redistribution licence fees. From 1 January 2021 until 31 December 2021, for existing Redistributors of real time Data who upgrade their licence, and for existing Delayed and After Midnight Data Redistributors who upgrade to real time, a 50% discount shall apply to the fee difference between the current licence fee and the upgraded licence fee. Additional terms apply; please contact the Exchange if you are interested in joining this promotion.
