# CurveGlobal Markets – SOLA 13 Functional Release Production Go-Live Reminder

---

Further to the notice sent on 20 May 2019, clients are reminded that the Production go-live of the SOLA 13 Release for the Interest Rate Derivatives segment of CurveGlobal Markets is scheduled for **Monday 15 July 2019**. From this date, the enhanced Summary messages will be disseminated via HSVF.

We would also like to confirm that all GTD (Long) orders on Interest Rate Derivatives will be deleted at the end of day on **Friday 12 July**. An unsolicited message indicating the order deletions will be generated by the server and transmitted to the trading User IDs associated with the deleted orders.

Details of all the enhancements introduced in this release can be found in the 'Next Functional Release' section, at the following link: <http://www.lseg.com/derivatives/document-library>

Clients must ensure that their application(s) has been tested and signed off prior to the Production go-live date. Clients are also required to recertify their HSVF software by **Thursday 11 July 2019**. The HSVF Self-Certification Form can be accessed at the following link:
