28 October 2019

CurveGlobal Markets – SOLA 14 Functional Release – Revised Go-Live Dates

The purpose of this notice is to inform customers that the intended Production go-live dates for the CurveGlobal Markets SOLA 14 Functional Release and HSVF Multicast have been revised.

The revised SOLA 14 and HSVF Multicast Production go-live dates are covered in the following table:

Date	Description
09 November 2019	SOLA 14 Customer Dress Rehearsal
09 December 2019	SOLA 14 Production go-live
27 January 2020*	HSVF Multicast go-live

*Please note that this date is subject to internal testing and customer readiness and will be confirmed in due course.

Details of all the enhancements introduced in this release can be found in the 'Next Functional Release' section, at the following link:

<http://www.lseg.com/derivatives/document-library>

Customers are also required to recertify their FIX Drop Copy, FIX Trading, SAIL Drop Copy and SAIL Trading software prior to participating in the Customer Dress Rehearsal.

Customers who plan to use the HSVF Multicast service will need to self-certify their software.

The relevant software certification documentation can be found under the Certification Guides section, at the following link:

<https://www.lseg.com/derivatives/document-library>

HSVF Multicast will be offered in parallel to the existing HSVF Unicast service. The switch to HSVF Multicast is not mandatory. Customers interested in using this service should contact their Technical Account Manager as soon as possible.

If you have any questions regarding this notice, please contact your Technical Account Manager or the Technical Account Management team on +44 (0)20 7797 3939, or via londontam@lseg.com.
