

# London Stock Exchange Derivatives – SOLA 12.3 Functional Release

---

The purpose of this notice is to inform members that the technical specifications for the London Stock Exchange Equity and Interest Rate Derivatives Markets SOLA 12.3 Functional Release are now available on the London Stock Exchange Derivatives website under the 'Next Functional Release' section, at the following link:

<http://www.lseg.com/derivatives/document-library>

Version 12.3 of the SOLA Trading System will support the following main functional enhancements:

- MiFID 2 pre-trade "Package Order" waiver;
- MiFID 2 pre-trade "Exchange for Physical" (EFP) waiver (for future use only);
- Futures "pack" strategies (interest rate derivatives).

Details of these enhancements can be found in the technical specifications.

The following table highlights the key dates for the release.

Date	Description
29 May 2018	Customer Development Service (CDS) go-live
23 June 2018	Customer Dress Rehearsal
9 July 2018	Production go-live

Please note that these dates are subject to internal testing and customer readiness, and will be confirmed in due course.
