# London Stock Exchange Derivatives – SOLA 12.4 Functional Release

---

## SOLA 12.4 Production Go-Live - Monday 10 December 2018

Further to the notice sent on 09 November, we kindly remind clients that the Production go-live of SOLA 12.4 for the London Stock Exchange Derivatives Market and CurveGlobal products will take place on **Monday 10 December**.

As a reminder, version 12.4 of the SOLA Trading System will support the following main functional enhancements:

- Dedicated tick table for bilaterally negotiated trades.<sup>1</sup>
- Dissemination of a “Strategy trade” (CS) and “Post trade” (PT) message via HSVF whenever a strategy leg executes against an outright order.

Details of all the enhancements introduced in this release can be found in the technical specifications and in the release notes in the ‘Next Functional Release’ section at the following link:

<https://www.lseg.com/derivatives/document-library>

Customers are requested to provide final go-live readiness sign-off via email to their Technical Account Manager or to the Technical Account Management Team on [londontam@lseg.com](mailto:londontam@lseg.com) before the close of business on **Friday 07 December 2018**.

Customers are also reminded that all open orders will be deleted at the end of day on **Friday 07 December 2018**.

If you have any questions regarding this notice, please contact your Technical Account Manager or the Technical Account Management Team:
