# London Stock Exchange Derivatives – SOLA 12 Functional Release

---

The purpose of this notice is to inform Members that the technical specifications for the London Stock Exchange Derivatives Market (LSEDM) SOLA 12 Functional Release for Equity Derivatives and Interest Rate Derivatives are now available on the LSEDM website under the “Next Functional Release” section, at the following link:

<http://www.lseg.com/derivatives/document-library>

Version 12 of the SOLA Trading System will support the following main functional enhancements:

- Deferred publication of trade details via the HSVF market data protocol; and
- New throttling mechanism.

Details of these enhancements can be found in the technical specifications.

The below table highlights the key dates for the release:

Date	Description
28 February 2018	Customer Development Service (CDS) go-live
24 March 2018	Customer Dress Rehearsal
7 April 2018	Production go-live

Please note that these dates are subject to internal testing and customer readiness, and will be confirmed in due course.

As a result of the upgrade, the LSEDM Equity Derivatives and Interest Rate Derivatives CDS environments will be in maintenance mode on **28 February 2018** and may become unavailable for customers.
