CDS and Go-Live Dates for the next Turquoise Release

Turquoise plans to implement the next Turquoise Release into Customer Development Service (CDS) on **9 April 2018** and into Production on **23 April 2018**.

The next Turquoise release includes the following enhancements:

- **Turquoise Lit Auctions™** Order Book - Introduction of Member Group Matching by Time Priority (on an 'opt-in basis'), with Minimum Execution Size (MES)¹
- **Turquoise Lit Auctions™** and **Turquoise Plato™** Order Books – Ability for Members to 'opt-in' to Member Priority Matching (per Order Book)
- "FIX Tag 1 / Account" information received from Participants on FIX and Native New Order messages will now be passed on Trades to EuroCCP.

The Turquoise Trading Service Description, **Turquoise Plato Block Discovery™** Service Description and Technical Documentation will be updated to reflect the changes (where appropriate). These will be found in the Turquoise Document Library, Next Functional Release section:
