

## Turquoise MITCH Decommission

---

Following the successful launch of the Group Ticker Plant (GTP) service on 24 April 2017, Turquoise would like to inform members of plans to decommission the MITCH real-time market data service on Turquoise from **1 July 2018**. From this date the Turquoise MITCH services will not be available and supporting multicast channels will not broadcast.

Customers who have not yet migrated over to the GTP services should ensure they do so prior to the decommission date.

GTP product and technical Specifications can be found on the GTP section of the website at the following link: <https://www.lseg.com/areas-expertise/technology/group-technology/group-ticker-plant>
